DESCRIPTION OF THE DEBT SECURITIES

Description of Debt Securities

We will issue the debt securities under an indenture, dated as of August 26, 2003, between us and The Bank of New York Mellon Trust Company, N.A. (formerly known as The Bank of New York Trust Company, N.A.), as successor to Citibank, N.A., which acts as trustee. We have summarized the material provisions of the indenture below. The indenture is included as an exhibit to the registration statement of which this prospectus is a part, and you should read the indenture for provisions that may be important to you. In the summary below, we have included references to section numbers of the indenture so that you can easily locate these provisions. Capitalized terms used in this “Description of Debt Securities” but not otherwise defined herein have the meaning specified in the indenture. You can obtain copies of the indenture on the SEC website described in the section entitled “Where You Can Find More Information.”

General

The indenture does not limit the aggregate principal amount of debt securities that we may issue and provides that we may issue debt securities from time to time in one or more series, in each case with the same or various maturities, at par or at a discount. We may issue additional debt securities of a particular series without the consent of the holders of the debt securities of such series outstanding at the time of the issuance. Any such additional debt securities, together with all other outstanding debt securities of that series, will constitute a single series of debt securities under the indenture. The indenture also generally does not limit our ability to incur additional debt and does not contain financial or similar restrictive covenants. The debt securities will be unsecured and will rank equally with all of our other senior debt and senior to our subordinated debt, if any.

Unless we inform you otherwise in a prospectus supplement, the indenture does not contain any debt covenants or other provisions that would protect holders of the debt securities in the event we participate in a highly leveraged or other transaction that may adversely affect our creditworthiness.

A prospectus supplement relating to a series of debt securities being offered will include specific terms relating to the offering. These terms will include some or all of the following:

- the title of the debt securities;
- any limit on the aggregate principal amount of the debt securities;
- the person or entity to whom any interest on the debt securities will be payable;
- the date or dates on which the principal, premium, if any, or other form or type of consideration to be paid upon maturity on the debt securities, which we call the maturity consideration, will be payable or the method of determining maturity dates;
- the rate or rates at which the debt securities will bear interest, if any, or any method by which the rate or rates will be determined, the date or dates from which any interest will accrue, the interest payment dates on which any interest will be payable and the regular record date for any interest on any interest payment date;
- any redemption dates, prices, rights, obligations and restrictions on the debt securities;
- any mandatory or optional sinking fund, purchase fund or similar provisions;
- whether payments of principal of or any premium or interest will be determined by an index, formula or other method and the manner in which these amounts will be determined;

- the currency or currency unit in which principal and interest will be paid if other than U.S. dollars and whether the holder may elect payment to be made in a different currency;
- the portion of the principal amount of the debt securities payable upon the acceleration of the maturity of the debt securities if other than the full principal amount;
- if the principal amount payable at the stated maturity of the debt securities will not be determinable as of any one or more dates prior to the stated maturity, the amount that will be deemed to be the principal amount of the debt securities as of any such date for any purpose, including the principal amount of the debt securities that will be due and payable upon any maturity other than the stated maturity or that will be deemed to be outstanding as of any date prior to the stated maturity;
- whether the debt securities will be defeasible, in whole or any specified part, and whether some of our covenants will be defeasible and, if other than by a resolution of our board of directors or executive committee, the manner in which any election by us to defease the debt securities or covenants will be evidenced;
- whether the debt securities will be issued in permanent global form and the circumstances under which the permanent global debt security may be exchanged;
- whether, and the terms and conditions relating to when, we may satisfy some of our obligations with respect to the debt securities with regard to payment upon maturity, or any redemption or required repurchase or in connection with any exchange provisions by delivering to the holders securities (whether or not issued by, or the obligations of, us), cash or a combination of cash, securities and/or property;
- any conversion or exchange provisions;
- any terms for the attachment to the debt securities of warrants, options or other rights to purchase or sell our securities;
- any deletion of, addition to or change in the Events of Default and any change in the right of the trustee or the requisite holders of the debt securities to declare the principal amount due and payable;
- any deletion of, addition to or change in the covenants that apply to the debt securities;
- terms relating to the delivery of debt securities if they are to be issued upon the exercise of warrants;
- whether and on what terms we will pay additional amounts to holders of the debt securities that are not U.S. persons for any tax assessment or governmental charge withheld or deducted and, if so, whether and on what terms we will have the option to redeem the debt securities rather than pay the additional amounts;
- additional terms with respect to book-entry procedures;
and
- any other material terms of the debt securities not specified in this prospectus. (Section 3.01)

We may sell the debt securities, including original issue discount securities, at a substantial discount below their principal amount. Original issue discount securities bear no interest or bear interest at below market rates. We

may describe special United States federal income tax considerations, if any, applicable to the debt securities sold at an original issue discount in the applicable prospectus supplement. In addition, we may describe special United States federal income tax or other considerations, if any, applicable to the debt securities that are sold for any foreign currency or currency unit or if any payments on the debt securities are payable in any foreign currency or currency unit, in the applicable prospectus supplement. We encourage you to consult with your own competent tax and financial advisors on these important matters.

Consolidation, Merger and Sale of Assets

The indenture provides that we may not consolidate with or merge with or into any other person or convey, transfer or lease all or substantially all of our properties and assets substantially as an entirety to any person unless:

- either we are the continuing corporation or the person formed by any consolidation or into which we are merged or the person that acquires by conveyance, transfer, or lease all or substantially all of our properties and assets shall be:
 - organized and validly existing under the laws of the United States of America, any State thereof or the District of Columbia; and
 - shall expressly assume all of our obligations under the debt securities and the indenture;
- immediately after giving effect to such transaction, no Event of Default, and no event that, after notice or lapse of time or both, would become an Event of Default, shall have occurred and be continuing; and
- we or such person has delivered to the trustee an officer's certificate and an opinion of counsel stating that such consolidation, merger, conveyance, transfer or lease and any supplemental indenture required in connection with such transaction comply with the applicable provisions of the indenture and that all conditions precedent in the indenture provided for or relating to such transaction have been satisfied.

Upon any consolidation or merger or any conveyance, transfer or lease of all or substantially all of our properties and assets in accordance with these provisions, the successor person formed by a consolidation, or into which we are merged or the successor person to which any conveyance, transfer or lease is made, shall succeed to, and be substituted for, and may exercise every right and power of ours under the debt securities and the indenture with the same effect as if that successor had been named as us therein; and thereafter, except in the case of a lease, we shall be discharged from all obligations and covenants under the debt securities and indenture. (Sections 8.01 and 8.02)

Additional Covenants

Although the indenture generally does not contain financial or similar restrictive covenants, unless otherwise specified in any applicable prospectus supplement, the debt securities will contain the additional covenants described below that are not contained in the indenture.

Limitation on Secured Indebtedness

We will not create, assume, incur or guarantee, and will not permit any Restricted Subsidiary to create, assume, incur or guarantee, any Secured Indebtedness without making provision whereby the debt securities shall be secured equally and ratably with, or prior to, such Secured Indebtedness, together with, if we shall so determine, any other Indebtedness of us or any Restricted Subsidiary then existing or thereafter created that is not subordinate to the debt securities, so long as the Secured Indebtedness shall be outstanding, unless the Secured Indebtedness, when added to:

- the aggregate amount of all Secured Indebtedness then outstanding (not including in this computation Secured Indebtedness if the debt securities are secured equally and ratably with (or prior to) such Secured Indebtedness and further not including in this computation any Secured Indebtedness that is concurrently being retired); and
- the aggregate amount of all Attributable Debt then outstanding pursuant to Sale and Leaseback Transactions entered into by us after January 26, 1999, or entered into by a Restricted Subsidiary after January 26, 1999 or, if later, the date on which it became a Restricted Subsidiary (not including in this computation any Attributable Debt that is concurrently being retired);

would not exceed 10% of Consolidated Net Tangible Assets.

Limitation on Sale and Lease Back Transactions

We will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction unless (a) the sum of:

- the Attributable Debt to be outstanding pursuant to such Sale and Leaseback Transaction;
- all Attributable Debt then outstanding pursuant to all other Sale and Leaseback Transactions entered into by us after January 26, 1999, or entered into by a Restricted Subsidiary after January 26, 1999 or, if later, the date on which it became a Restricted Subsidiary; and
- the aggregate amount of all Secured Indebtedness then outstanding (not including in this computation Secured Indebtedness if the debt securities are secured equally and ratably with (or prior to) such Secured Indebtedness);

would not exceed 10% of Consolidated Net Tangible Assets, or (b) an amount equal to the greater of:

- the net proceeds to us or the Restricted Subsidiary of the sale of the Principal Property sold and leased back pursuant to such Sale and Leaseback Transaction; and
- the amount of Attributable Debt to be outstanding pursuant to such Sale and Leaseback Transaction;

is applied to the retirement of Funded Debt of us or any Restricted Subsidiaries (other than Funded Debt that is subordinate to the debt securities or is owing to us or any Restricted Subsidiaries or is scheduled to mature within one year after consummation of such Sale and Leaseback Transaction) within 180 days after the consummation of such Sale and Leaseback Transaction.

Definitions

As used in this prospectus, the following definitions apply:

“*Attributable Debt*” means, as of the date of its determination, the present value (discounted semi-annually at an interest rate of 7.0% per annum) of the obligation of a lessee for rental payments pursuant to any Sale and Leaseback Transaction (reduced by the amount of the rental obligations of any sublessee of all or part of the same property) during the remaining term of such Sale and Leaseback Transaction (including any period for which the lease relating thereto has been extended), such rental payments not to include amounts payable by the lessee for maintenance and repairs, insurance, taxes, assessments and similar charges and for contingent rents (such as those based on sales). In the case of any Sale and Leaseback Transaction in which the lease is terminable by the lessee upon the payment of a penalty, the rental payments shall be considered for purposes of this definition to be the lesser of the discounted values of:

- a. the rental payments to be paid under such Sale and Leaseback Transaction until the first date (after the date of such determination) upon which it may be so terminated plus the then applicable penalty upon such termination; and
- b. the rental payments required to be paid during the remaining term of such Sale and Leaseback Transaction (assuming such termination provision is not exercised).

“*Capitalized Lease Obligation*” means any obligation to pay rent or other amounts under a lease of (or other agreement conveying the right to use) real or personal property that is required to be classified and accounted for as a capital lease obligation under generally accepted accounting principles, and, for the purposes of the debt securities, the amount of such obligation at any date shall be the capitalized amount thereof at the applicable date, determined in accordance with such principles.

“*Consolidated Net Tangible Assets*” means at any date, the total assets appearing on our most recently prepared consolidated balance sheet as of the end of our fiscal quarter, prepared in accordance with generally accepted accounting principles, less all current liabilities as shown on such balance sheet and Intangible Assets.

“*Funded Debt*” means any indebtedness maturing by its terms more than one year from its date of issue, including any indebtedness renewable or extendable at the option of the obligor to a date later than one year from its original date of issue.

“*Indebtedness*” means

- a. any liability of any Person:
 1. for borrowed money, or under any reimbursement obligation relating to a letter of credit;
 2. evidenced by a bond, note, debenture or similar instrument, including a purchase money obligation, given in connection with the acquisition of any businesses, properties or assets of any kind or with services incurred in connection with capital expenditures, other than a trade payable or a current liability arising in the ordinary course of business;
 3. for the payment of money relating to a Capitalized Lease Obligation;
or
 4. for Interest Rate Protection Obligations;
- b. any liability of others described in the preceding clause (a) that the Person has guaranteed or that is otherwise its legal liability; and
- c. any amendment, supplement, modification, deferral, renewal, extension or refunding of any liability of the types referred to in clauses (a) and (b) above.

“*Intangible Assets*” means at any date the value (net of any applicable reserves), as shown on or reflected in our most recently prepared consolidated balance sheet, prepared in accordance with generally accepted accounting principles, of

- a. all trade names, trademarks, licenses, patents, copyrights and goodwill;
- b. organizational and development costs;
- c. deferred charges (other than prepaid items such as insurance, taxes, interest, commissions, rents and similar items and tangible assets being amortized); and
- d. unamortized debt discount and expense, less unamortized premium.

“Interest Rate Protection Obligations” of any Person means the obligations of that Person pursuant to any arrangement with any other Person whereby, directly or indirectly, that Person is entitled to receive from time to time periodic payments calculated by applying a fixed rate of interest on a stated notional amount in exchange for periodic payments made by such Person calculated by applying a floating rate of interest on the same notional amount.

“Liens” means any mortgage, lien, pledge, security interest, charge or encumbrance.

“Principal Property” means any land, land improvements, buildings and associated factory, distribution, laboratory and office equipment (excluding any motor vehicles, aircraft, mobile materials handling equipment, data processing equipment and rolling stock) constituting a distribution facility, operating facility, manufacturing facility, development facility, warehouse facility, service facility or office facility (including any portion thereof), which facility

- a. is owned by or leased to us or any Restricted Subsidiary,
- b. is located within the United States, and
- c. has an acquisition cost plus capitalized improvements in excess of 0.50% of Consolidated Net Tangible Assets as of the date of that determination, other than:
 1. any facility, or portion thereof, which has been financed by obligations issued by or on behalf of a State, a Territory or a possession of the United States, or any political subdivision of any of the foregoing, or the District of Columbia, the interest on which is excludable from gross income of the holders thereof (other than a “substantial user” of the related facility or a “related Person” as those terms are used in Section 103 of the Internal Revenue Code) pursuant to the provisions of Section 103 of the Internal Revenue Code (or any similar provision hereafter enacted) as in effect at the time of issuance of the obligations;
 2. any facility that our board of directors may by resolution declare is not of material importance to us and the Restricted Subsidiaries taken as a whole; and

“Restricted Subsidiary” means

- a. any Subsidiary:
 1. which has substantially all its property within the United States of America;
 2. which owns or is a lessee of any Principal Property; and
 3. in which the investment of us and all other Subsidiaries exceeds 0.50% of Consolidated Net Tangible Assets as of the date of the determination; provided, however, that the term “Restricted Subsidiary” shall not include:
 - A. any Subsidiary (x) primarily engaged in the business of purchasing, holding, collecting, servicing or otherwise dealing in and with installment sales contracts, leases, trust receipts, mortgages, commercial paper or other financing instruments,

and any collateral or agreements relating thereto, including in the business, individually or through partnerships, of financing, whether through long- or short-term borrowings, pledges, discounts or otherwise, the sales, leasing or other operations of us and the Subsidiaries or any of them, or (y) engaged in the business of financing the assets and operations of third parties, and (z) in any case, not, except as incidental to such financing business, engaged in owning, leasing or operating any property which, but for this proviso, would qualify as Principal Property; or

B. any Subsidiary acquired or organized after January 26, 1999, for the purpose of acquiring the stock or business or assets of any Person other than us or any Restricted Subsidiary, whether by merger, consolidation, acquisition of stock or assets or similar transaction analogous in purpose or effect, so long as such Subsidiary does not acquire by merger, consolidation, acquisition of stock or assets or similar transaction analogous in purpose or effect all or any substantial part of the business or assets of us or any Restricted Subsidiary; and

- b. any other Subsidiary that is hereafter designated by our board of directors as a Restricted Subsidiary.

“Sale and Leaseback Transaction” means any arrangement with any Person providing for the leasing by us or any Restricted Subsidiary of any Principal Property (whether the Principal Property is now owned or hereafter acquired) that has been or is to be sold or transferred by us or a Restricted Subsidiary to any Person, other than:

- a. leases for a term, including renewals at the option of the lessee, of not more than three years;
- b. leases between us and a Restricted Subsidiary or between Restricted Subsidiaries; and
- c. leases of Principal Property executed by the time of, or within 180 days after the latest of, the acquisition, the completion of construction or improvement (including any improvements on property that will result in the property becoming Principal Property), or the commencement of commercial operation of the Principal Property.

“Secured Indebtedness” means Indebtedness of us or a Restricted Subsidiary that is secured by any Lien upon any Principal Property or Restricted Securities, and Indebtedness of us or a Restricted Subsidiary in respect of any conditional sale or other title retention agreement covering Principal Property or Restricted Securities; but *“Secured Indebtedness”* shall not include any of the following:

- a. Indebtedness of us and the Restricted Subsidiaries outstanding on January 26, 1999, secured by then-existing Liens upon, or incurred in connection with conditional sales agreements or other title retention agreements with respect to Principal Property or Restricted Securities;
- b. Indebtedness that is secured by:
 - 1. purchase money Liens upon Principal Property acquired after January 26, 1999,
 - 2. Liens placed on Principal Property after January 26, 1999, during construction or improvement thereof (including any improvements on property which will result in the property becoming Principal Property) or placed thereon within 180 days after the later of acquisition, completion of construction or improvement or the commencement of commercial operation of the Principal Property or improvement, or placed on Restricted Securities acquired after January 26, 1999, or

3. conditional sale agreements or other title retention agreements with respect to any Principal Property or Restricted Securities acquired after January 26, 1999, if (in each case referred to in this subparagraph (b)) (x) the related Lien or agreement secures all or any part of the Indebtedness incurred for the purpose of financing all or any part of the purchase price or cost of construction of the Principal Property or improvement or Restricted Securities and (y) the related Lien or agreement does not extend to any Principal Property or Restricted Securities other than the Principal Property so acquired or the Principal Property, or portion thereof, on which the property so constructed or any improvement is located; provided, however, that the amount by which the aggregate principal amount of Indebtedness secured by any Lien or agreement exceeds the cost to us or the Restricted Subsidiary of the related acquisition, construction or improvement will be considered to be "Secured Indebtedness;"
- c. Indebtedness that is secured by Liens on Principal Property or Restricted Securities, which Liens exist at the time of acquisition (by any manner whatsoever) of the Principal Property or Restricted Securities by us or a Restricted Subsidiary;
- d. Indebtedness of Restricted Subsidiaries owing to us or any other Restricted Subsidiary and Indebtedness of us owing to any Restricted Subsidiary;
- e. In the case of any corporation that becomes (by any manner whatsoever) a Restricted Subsidiary after January 26, 1999, Indebtedness that is secured by Liens upon, or conditional sale agreements or other title retention agreements with respect to, its property that constitutes Principal Property or Restricted Securities, which Liens exist at the time the related corporation becomes a Restricted Subsidiary;
- f. Guarantees by us of Secured Indebtedness and Attributable Debt of any Restricted Subsidiaries and guarantees by a Restricted Subsidiary of Secured Indebtedness and Attributable Debt of us and any other Restricted Subsidiaries;
- g. Indebtedness arising from any Sale and Leaseback Transaction;
- h. Indebtedness secured by Liens on property of us or a Restricted Subsidiary in favor of the United States of America, any State, Territory or possession thereof, or the District of Columbia, or any department, agency or instrumentality or political subdivision of the United States of America or any State, Territory or possession thereof, or the District of Columbia, or in favor of any other country or any political subdivision thereof, if the related Indebtedness was incurred for the purpose of financing all or any part of the purchase price or the cost of construction of the property subject to the Lien; provided, however, that the amount by which the aggregate principal amount of Indebtedness secured by any Lien exceeds the cost to us or the Restricted Subsidiary of the related acquisition or construction will be considered to be "Secured Indebtedness;"
- i. Indebtedness secured by Liens on aircraft, airframes or aircraft engines, aeronautic equipment or computers and electronic data processing equipment; and
- j. The replacement, extension or renewal, or successive replacements, extensions or renewals, of any Indebtedness, in whole or in part, excluded from the definition of "Secured Indebtedness" by subparagraphs (a) through (i) above; provided, however, that no Lien securing, or conditional sale or title retention agreement with respect to, the Indebtedness will extend to or cover any Principal Property or any Restricted Securities, other than the property that secured the

Indebtedness so replaced, extended or renewed, plus improvements on or to any such Principal Property, provided further, however, that to the extent that replacement, extension or renewal increases the principal amount of Indebtedness secured by the Lien or is in a principal amount in excess of the principal amount of Indebtedness excluded from the definition of "Secured Indebtedness" by subparagraphs (a) through (i) above, the amount of the increase or excess will be considered to be "Secured Indebtedness."

In no event shall the foregoing provisions be interpreted to mean that the same Indebtedness is included more than once in the calculation of "Secured Indebtedness" as that term is used in the debt securities.

Events of Default

The indenture defines an Event of Default with respect to any series of debt securities as any one of the following events:

1. failure to pay any interest on the debt securities of that series when due, continued for 30 days;
2. failure to pay any principal of or premium on the debt securities of that series when due, whether at the stated maturity or by declaration of acceleration, call for redemption or otherwise;
3. failure to deposit any sinking fund payment when due on the debt securities of that series;
4. failure to perform or the breach of any covenant or warranty in the indenture applicable to the debt securities of that series, continued for 60 days after written notice as provided in the indenture; or
5. certain events involving our bankruptcy, insolvency or reorganization. (Section 5.01)

If an Event of Default occurs and is continuing with respect to the debt securities of any series, other than an Event of Default referred to in clause (5) above, either the trustee or the holders of 25% in principal amount, or if the debt securities are not payable at maturity for a fixed principal amount, 25% of the aggregate issue price, of the outstanding debt securities of that series, each series acting as a separate class, may declare the principal of the debt securities of that series, or an other amount or property, as may be provided for in the debt securities of that series, to be due and payable. If an Event of Default described in clause (5) above with respect to the debt securities of any series at the time outstanding shall occur, the principal amount of all the debt securities of that series, or such other amount or property, as may be provided for in the debt securities of that series (or, in the case of any original issue discount security, such portion of the principal as may be specified in its terms) will automatically, and without any action by the trustee or any holder, become immediately due and payable. (Section 5.02).

The holders of not less than a majority in aggregate principal amount of the outstanding debt securities of a series may, on behalf of all holders of debt securities of the series, waive any past default under the indenture with respect to the debt securities of the series, except a default in the delivery or payment of the maturity consideration or interest on any debt security of the series, and default in respect of a covenant or provision of the indenture that cannot be modified or amended without the consent of the holder of each outstanding debt security of the affected series. (Section 5.13)

Subject to the provisions of the indenture relating to the duties of the trustee in case an Event of Default shall occur and be continuing, the trustee will be under no obligation to exercise any of its rights or powers under the indenture at the request or discretion of any of the holders, unless the holders shall have offered to the trustee security or indemnity satisfactory to the trustee. (Section 6.03). Subject to such provisions for the indemnification of the trustee, the holders of a majority in aggregate principal amount of the outstanding debt securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee, or exercising any trust or power conferred on the trustee, with respect to the debt securities of that series. (Section 5.12)

No holder of a debt security of any series will have any right to institute any proceeding with respect to the indenture, or for the appointment of a receiver or a trustee, or for any other remedy under the indenture, unless

1. the holder has previously given to the trustee written notice of a continuing Event of Default with respect to the debt securities of that series,
2. the holders of at least 25% in aggregate principal amount, or if the debt securities are not payable at maturity for a fixed principal amount, the aggregate issue price of the outstanding debt securities of that series, have made written request to the trustee to institute a proceeding as trustee,
3. the holder or holders have offered to the trustee indemnity satisfactory to the trustee against the costs, expenses and liabilities to be incurred in compliance with such request, and
4. the trustee has failed to institute such proceeding, and has not received from the holders of a majority in aggregate principal amount or, if the debt securities are not payable at maturity for a fixed principal amount, the aggregate issue price of the outstanding debt securities of that series, a direction inconsistent with the request, within 60 days after the notice, request and offer. (Section 5.07)

However, these limitations do not apply to a suit instituted by a holder of a debt security for the enforcement of delivery or payment of the maturity consideration relating to, or interest on, the debt security on or after the applicable due date specified in the debt security. (Section 5.08)

We will be required to furnish to the trustee annually a statement by certain of our officers as to whether or not we, to our knowledge, are in default in the performance or observance of any of the terms, provisions and conditions of the indenture and, if so, specifying all known defaults. (Section 10.04)

Street name and other indirect holders should consult their banks and brokers for information on their requirements for giving notice or taking other actions on an Event of Default.

Defeasance and Covenant Defeasance

If and to the extent indicated in any applicable prospectus supplement, we may elect, at our option at any time, to have the provisions of Section 13.02 of the indenture, relating to defeasance and discharge of Indebtedness, or Section 13.03 of the indenture, relating to defeasance of certain restrictive covenants in the indenture, applied to the debt securities of any series, or to any specified part of a series. Defeasance refers to the discharge of some or all of our obligations under the indenture. (Section 13.01)

Defeasance and Discharge

The indenture provides that, upon our exercise of our option to have Section 13.02 of the indenture apply to any debt securities, we will be deemed to have been discharged from all obligations with respect to the debt securities (except for certain obligations to exchange or register the transfer of debt securities, to replace stolen, lost or mutilated debt securities, to maintain paying agencies and to hold money for payment in trust) upon the irrevocable deposit in trust for the benefit of the holders of the debt securities of money or U.S. Government Obligations, or both, which, through the payment of principal and interest in respect thereof in accordance with their terms, will provide money in an amount sufficient to pay the principal of and any premium and interest on the debt securities on the respective Stated Maturities in accordance with the terms of the indenture and the debt securities. Defeasance or discharge may occur only if, among other things, we have delivered to the trustee an opinion of counsel to the effect that, we have received from, or there has been published by, the United States Internal Revenue Service a ruling, or there has been a change in tax law, in any case to the effect that holders of the debt securities will not recognize gain or loss for federal income tax purposes as a result of the deposit, defeasance and discharge and will be subject to federal income tax on the same amount, in the same manner and at the same times as would have been the case if the deposit, defeasance and discharge were not to occur. (Sections 13.02 and 13.04)

Defeasance of Covenants

The indenture provides that, upon our exercise of our option to have Section 13.03 of the indenture apply to any debt securities, we may omit to comply with and shall have no liability in respect of certain restrictive covenants, including those that may be described in the applicable prospectus supplement, and the occurrence of certain Events of Default, which are described above in clause (4) (with respect to restrictive covenants) under “Events of Default” and any that may be described in the applicable prospectus supplement, will be deemed not to be or result in an Event of Default, in each case with respect to the debt securities. In order to exercise this option, we will be required to irrevocably deposit, in trust for the benefit of the holders of the debt securities, money or U.S. Government Obligations, or both, which, through the payment of principal and interest in respect thereof in accordance with their terms, will provide money in an amount sufficient to pay the principal of and any premium and interest on the debt securities on the respective Stated Maturities in accordance with the terms of the indenture and the debt securities. We will also be required, among other things, to deliver to the trustee an opinion of counsel to the effect that holders of the debt securities will not recognize gain or loss for federal income tax purposes as a result of deposit and defeasance of certain obligations and will be subject to federal income tax on the same amount, in the same manner and at the same times as would have been the case if the deposit and defeasance were not to occur. In the event we exercised this option with respect to any debt securities and the debt securities were declared due and payable because of the occurrence of any Event of Default, the amount of money and U.S. Government Obligations so deposited in trust would be sufficient to pay amounts due on the debt securities at the time of their respective Stated Maturities but may not be sufficient to pay amounts due on the debt securities upon any acceleration resulting from the Event of Default. In that case, we would remain liable for the payments. (Sections 13.03 and 13.04)

Modification of the Indenture

The indenture provides that we and the trustee may, without the consent of any holders of debt securities, enter into supplemental indentures for the purpose, among other things, of adding to our covenants, adding additional Events of Default, establishing the form or terms of debt securities or curing ambiguities or inconsistencies in the indenture or making other provisions, provided that any action to cure ambiguities or inconsistencies not adversely affect the interests of the holders of any outstanding series of debt securities in any material respect. (Section 9.01)

Modifications and amendments of the indenture may be made by us and the trustee with the consent of the holders of a majority in aggregate principal amount or, if the debt securities are not payable at maturity for a fixed principal amount, the aggregate issue price, of the outstanding debt securities of each series affected thereby, except that no modification or amendment may, without the consent of the holder of each outstanding debt security affected thereby,

1. change the stated maturity of the maturity consideration or any installment of maturity consideration or interest on, any debt security,
2. reduce the principal amount of or reduce the amount or change the type of maturity consideration or reduce the rate of interest on, or any premium payable upon the redemption of, or the amount of maturity consideration of an original issue discount security or any other debt security that would be due and deliverable or payable upon a declaration of acceleration of the maturity thereof upon the occurrence of an Event of Default, of any debt security,
3. change the place of payment where, or the coin or currency in which, any maturity consideration or interest on any debt security are deliverable or payable,
4. impair the right to institute suit for the enforcement of any payment on or with respect to any debt security,
5. reduce the percentage in principal amount or aggregate issue price, as the case may be, of debt securities of any series, the consent of whose holders is required for modification or amendment

of the indenture or for waiver of compliance with certain provisions of the indenture or for waiver of certain defaults, or

6. modify the requirements contained in the indenture for consent to or approval of certain matters, except to increase any percentage for a consent or approval or to provide that certain other provisions cannot be modified or waived without the consent of the holder of each debt security affected thereby. (Section 9.02)

A supplemental indenture that changes or eliminates any covenant or other provision of the indenture which has been expressly included solely for the benefit of one or more particular series of debt securities, or that modifies the rights of the holders of debt securities of the series with respect to the covenant or other provision, shall be deemed not to affect the rights under the indenture of the holders of debt securities of any other series. (Section 9.02)

The holders of a majority in aggregate principal amount of the outstanding debt securities of a series may, on behalf of the holders of all the debt securities of the series, waive compliance by us with certain restrictive provisions of the indenture. (Section 10.07)

Form, Exchange and Transfer

Subject to the terms of the indenture and the limitations applicable to global securities, debt securities may be presented for exchange as provided above or for registration of transfer (duly endorsed or with the form of transfer endorsed thereon duly executed) at the office of the security registrar or at the office of any transfer agent we designate for such purpose. No service charge will be made for any registration of transfer or exchange of debt securities, but we may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith. Registration of transfer or exchange will be effected by the security registrar or the transfer agent, as the case may be, when the security registrar or transfer agent is satisfied with the documents of title and identity of the person making the request. We have appointed the trustee as security registrar. (Section 3.05)

We may at any time designate additional transfer agents or rescind the designation of any transfer agent or approve a change in the office through which any transfer agent acts, except that we will be required to maintain a transfer agent in each place of payment for the debt securities of each series. (Section 10.02)

If debt securities of any series are to be redeemed in part, we will not be required to:

- issue, register the transfer of or exchange any debt security of that series (or of that series and specified tenor, as the case may be) during a period beginning at the opening of business 15 days before the day of mailing of a notice of redemption of any debt security that may be selected for redemption and ending at the close of business on the day of such mailing, or
- register the transfer of or exchange any debt security so selected for redemption, in whole or in part, except the unredeemed portion of any debt security being redeemed in part. (Section 3.05)

Payment and Paying Agents

Unless otherwise indicated in the applicable prospectus supplement, payment of interest on a debt security on any Interest Payment Date will be made to the person in whose name the security, or one or more predecessor securities, is registered at the close of business on the Regular Record Date for payment of interest. (Section 3.07)

Unless otherwise indicated in the applicable prospectus supplement, principal of and any premium, maturity consideration and interest on the debt securities of a particular series (other than a global security) will be payable or deliverable at the office of the paying agent or paying agents as we may designate for that purpose from time to time, except that at our option payment of any interest may be made by check mailed to the address of the person entitled to the payment as that address appears in the security register. Unless otherwise indicated in the applicable prospectus supplement, the corporate trust office of the trustee in The City of New York will be

designated as our sole paying agent for payments and deliveries with respect to debt securities of each series. Any other paying agents initially designated for the debt securities of a particular series will be named in the applicable prospectus supplement. We may at any time designate additional paying agents or rescind the designation of any paying agent or approve a change in the office through which any paying agent acts, except that we will be required to maintain a paying agent in each place of payment for the debt securities of a particular series. (Section 10.02)

All consideration paid or delivered to a paying agent for the payment or delivery of the principal of or any premium, maturity consideration or interest on any debt security that remains unclaimed at the end of two years after such principal, premium, maturity consideration or interest has become due and payable or deliverable will be repaid to us, and the holder of the debt security thereafter, as an unsecured general creditor, may look only to us for payment or delivery thereof. (Section 10.03)

Book-Entry, Delivery and Form of Debt Securities

The debt securities will be issued in book-entry form through The Depository Trust Company, which we refer to along with its successors in this capacity as “DTC.” DTC will act as securities depository for the debt securities. The debt securities will be issued only as fully registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. The debt securities will be accepted for clearance by DTC. Beneficial interests in the debt securities will be shown on, and transfers thereof will be effected only through, the book-entry records maintained by DTC and its direct and indirect participants, including Euroclear and Clearstream. Owners of beneficial interests in the debt securities will receive all payments relating to their debt securities in U.S. dollars. One or more fully registered global security certificates, representing the aggregate principal amount of debt securities issued, will be issued and will be deposited with DTC and will bear a legend regarding the restrictions on exchanges and registration of transfer referred to below.

The laws of some jurisdictions may require that some purchasers of securities take physical delivery of securities in definitive form. These laws may impair the ability to own, transfer or pledge beneficial interests in the debt securities, so long as the debt securities are represented by global security certificates.

DTC has advised us that it is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code and a “clearing agency” registered pursuant to the provisions of Section 17A of the Exchange Act. DTC holds securities that its direct participants deposit with DTC. DTC also facilitates the post-trade settlement among direct participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation, which, in turn, is owned by a number of direct participants of DTC and by the New York Stock Exchange, Inc., the American Stock Exchange LLC and the Financial Industry Regulatory Authority, Inc. Access to the DTC system is also available to others, referred to as “indirect participants,” such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a direct or indirect custodial relationship with a direct participant. The rules applicable to DTC and its participants are on file with the SEC.

Purchases of debt securities under the DTC system must be made by or through direct participants, which will receive a credit for the debt securities on DTC’s records. The ownership interest of each beneficial owner of debt securities will be recorded on the direct or indirect participants’ records. Beneficial owners will not receive written confirmation from DTC of their purchase. Beneficial owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the direct or indirect participant through whom the beneficial owner entered into the transaction. Under a book-entry format, holders may experience some delay in their receipt of payments, as such payments will be forwarded by the trustee to Cede & Co., as nominee for DTC. DTC will forward the payments to its participants, who will then forward them to indirect participants or holders. Beneficial owners of debt securities other than DTC or its nominees will not be recognized by the registrar and transfer agent as registered holders of the debt securities entitled to the rights of

holders thereof. Beneficial owners that are not participants will be permitted to exercise their rights only indirectly through and according to the procedures of participants and, if applicable, indirect participants.

Delivery of notices and other communications by DTC to direct participants, by direct participants to indirect participants, and by direct and indirect participants to beneficial owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Redemption notices, if any, will be sent to DTC. If less than all of the debt securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each direct participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to debt securities unless authorized by a direct participant in accordance with DTC's procedures. Under its usual procedures, DTC mails an omnibus proxy to the issuer as soon as possible after the record date. The omnibus proxy assigns Cede & Co.'s consenting or voting rights to those direct participants to whose accounts debt securities are credited on the record date (identified in a listing attached to the omnibus proxy). DTC has advised us that it will take any action permitted to be taken by a registered holder of any securities under the indenture only at the direction of one or more participants to whose accounts with DTC the debt securities are credited.

As long as DTC or its nominee is the registered owner of the global security certificates, DTC or its nominee, as the case may be, will be considered the sole owner and holder of the global security certificates and all debt securities represented by these certificates for all purposes under the instruments governing the rights and obligations of holders of debt securities. Except in the limited circumstances referred to above, owners of beneficial interests in global security certificates:

- will not be entitled to have such global security certificates or the debt securities represented by these certificates registered in their names;
- will not receive or be entitled to receive physical delivery of security certificates in exchange for beneficial interests in global security certificates; and
- will not be considered to be owners or holders of the global security certificates or the debt securities represented by these certificates for any purpose under the instruments governing the rights and obligations of holders of debt securities.

Payments with respect to debt securities represented by the global security certificates and all transfers and deliveries of debt securities will be made to DTC or its nominee, as the case may be, as the registered holder of the debt securities. DTC's practice is to credit direct participants' accounts upon DTC's receipt of funds and corresponding detail information from the issuer or its agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by participants to beneficial owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of that participant and not of DTC, the trustee, the issuer or any of their agents, subject to any statutory or regulatory requirements as may be in effect from time to time. Payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) are the responsibility of the issuer or its agent, disbursement of such payments to direct participants will be the responsibility of DTC, and disbursement of such payments to the beneficial owners will be the responsibility of direct and indirect participants.

Although DTC has agreed to the foregoing procedures in order to facilitate transfer of interests in the global security certificates among participants, DTC is under no obligation to perform or continue to perform these procedures, and these procedures may be discontinued at any time. We will not have any responsibility for the performance by DTC or its direct or indirect participants under the rules and procedures governing DTC. DTC may discontinue providing its services as securities depository with respect to the debt securities at any time by giving reasonable notice to the issuer or its agent. Under these circumstances, in the event that a successor securities depository is not obtained, certificates for the debt securities are required to be printed and delivered. We may decide to discontinue the use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, certificates for the debt securities will be printed and delivered to DTC. If an event of default with

respect to the debt securities has occurred and is continuing, a holder may request that certificates for the debt securities be registered in such holder's names.

The information in this section concerning DTC and its book-entry system has been obtained from sources that we believe to be accurate, but we assume no responsibility for the accuracy thereof.

Notices

Notices to holders of debt securities will be given by mail to the addresses of the holders as they may appear in the security register. (Section 1.06)

Title

We, the trustee and any agent of ours or the trustee's may treat the Person in whose name a debt security is registered as the absolute owner of a debt security for the purpose of making payment and for all other purposes. (Section 3.08)

Governing Law

The indenture and the debt securities will be governed by, and construed in accordance with, the law of the State of New York. (Section 1.12)

Regarding The Trustee

The Bank of New York Mellon Trust Company, N.A. (formerly known as The Bank of New York Trust Company, N.A.), as successor to Citibank, N.A., is the trustee under the indenture. We have other customary banking relationships with The Bank of New York Mellon in the ordinary course of business.

DESCRIPTION OF THE PREFERRED STOCK

The following is a description of general terms and provisions of the preferred stock. The particular terms of any series of preferred stock will be described in the applicable prospectus supplement.

All of the terms of the preferred stock are, or will be, contained in our restated certificate of incorporation or any resolutions which may be adopted by our board of directors relating to any series of the preferred stock, which will be filed with the SEC at or before the time we issue a series of the preferred stock.

We are authorized to issue up to 200,000,000 shares of preferred stock, par value \$0.01 per share. As of the date of this prospectus, we have no shares of preferred stock outstanding. Subject to limitations prescribed by law, the board of directors is authorized at any time to:

- issue one or more series of preferred stock;
- determine the designation for any series by number, letter or title that shall distinguish the series from any other series of preferred stock; and
- determine the number of shares in any series.

The board of directors is authorized to determine, for each series of preferred stock, and the prospectus supplement will set forth with respect to the series, the following information:

- whether dividends on that series of preferred stock will be cumulative, noncumulative or partially cumulative;
- the dividend rate (or method for determining the rate);
- the liquidation preference per share of that series of preferred stock, if any;
- any conversion provisions applicable to that series of preferred stock;
- any redemption or sinking fund provisions applicable to that series of preferred stock;
- the voting rights of that series of preferred stock, if any; and
- the terms of any other preferences or rights, if any, applicable to that series of preferred stock.

The preferred stock, when issued, will be fully paid and nonassessable.

Although it has no present intention to do so, our board of directors, without shareowner approval, may issue preferred stock with voting and conversion rights, which could adversely affect the voting power of the holders of common stock. If we issue preferred stock, it may have the effect of delaying, deferring or preventing a change of control.

DESCRIPTION OF THE COMMON STOCK

We are authorized to issue a total of 10,200,000,000 shares of common stock, of which:

- 4,600,000,000 are shares of class A common stock, par value \$.01 per share, and
- 5,600,000,000 are shares of class B common stock, par value \$.01 per share.

As of September 30, 2019, 157,445,695 shares of class A common stock were outstanding and 700,682,122 shares of class B common stock were outstanding.

We will issue only shares of class B common stock pursuant to this prospectus.

Generally, all shares of our common stock have the same relative rights, preferences and limitations, except as follows:

- shares of class A common stock have 10 votes per share;
- shares of class B common stock have one vote per share; and
- shares of class A common stock may be converted at any time by the holder into an equal number of shares of class B common stock and, if transferred to certain transferees, are automatically converted into shares of class B common stock immediately upon transfer.

Our class B common stock is listed and traded on the New York Stock Exchange under the symbol "UPS." There is no public market for our class A common stock.

Dividends may be paid on our common stock out of funds legally available for dividends, when and if declared by our board of directors. In the case of a distribution of our common stock, each class of common stock receives a distribution of only shares of the same class of common stock. For example, only shares of class B common stock may be distributed with respect to class B common stock.

Holders of our common stock are entitled to share ratably in any dividends and in any assets available for distribution on liquidation, dissolution or winding-up, subject, if any of our preferred stock is then outstanding, to any preferential rights of such preferred stock. Our common stock is not redeemable, has no subscription rights and does not entitle the holder to any preemptive rights.

The above description of our common stock is a summary and is subject to and qualified by reference to the applicable provisions of our restated certificate of incorporation, our amended and restated bylaws and relevant provisions of Delaware law. Our restated certificate of incorporation and amended and restated bylaws are incorporated by reference as exhibits to the registration statement of which this prospectus is a part, and you can obtain these documents as described in the section entitled "Where You Can Find More Information."

DESCRIPTION OF THE WARRANTS

We may issue warrants for the purchase of debt securities, preferred stock or class B common stock. Warrants may be issued independently or together with our debt securities, preferred stock or class B common stock and may be attached to or separate from any offered securities. Each series of warrants will be issued under a separate warrant agreement to be entered into between us and a bank or trust company, as warrant agent. The warrant agent will act solely as our agent in connection with the warrants and will not have any obligation or relationship of agency or trust for or with any holders or beneficial owners of warrants. A copy of the warrant agreement will be filed with the SEC in connection with the offering of warrants.

Debt Warrants

The prospectus supplement relating to a particular issue of warrants to purchase debt securities will describe the terms of those warrants, including the following:

- the title of the warrants;
- the offering price for the warrants, if any;
- the aggregate number of the warrants;
- the designation and terms of the debt securities purchasable upon exercise of the warrants;
- if applicable, the designation and terms of the debt securities that the warrants are issued with and the number of warrants issued with each debt security;
- if applicable, the date from and after which the warrants and any debt securities issued with them will be separately transferable;
- the principal amount of debt securities that may be purchased upon exercise of a warrant and the price at which the debt securities may be purchased upon exercise;
- the dates on which the right to exercise the warrants will commence and expire;
- if applicable, the minimum or maximum amount of the warrants that may be exercised at any one time;
- whether the warrants represented by the warrant certificates or debt securities that may be issued upon exercise of the warrants will be issued in registered or bearer form;
- information relating to book-entry procedures, if any;
- the currency or currency units in which the offering price, if any, and the exercise price are payable;
- if applicable, a discussion of material U.S. federal income tax considerations;
- anti-dilution provisions of the warrants, if any;
- redemption or call provisions, if any, applicable to the warrants;
and

Item 15. Indemnification of Directors and Officers.

Section 102(b)(7) of the DGCL allows a corporation to provide in its certificate of incorporation that a director of the corporation will not be personally liable to the corporation or its stockholders for monetary damages for

breach of fiduciary duty as a director, except where the director breached the duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit. Our restated certificate of incorporation provides for this limitation of liability.

Section 145 of the DGCL, which we refer to as Section 145, provides that a Delaware corporation may indemnify any person who was, is or is threatened to be made, party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee or agent of such corporation or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, provided such person acted in good faith and in a manner he reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was illegal.

Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against him and incurred by him in any such capacity, or arising out of his or her status as such, whether or not the corporation would otherwise have the power to indemnify him under Section 145.

Our restated certificate of incorporation provides that we must indemnify our directors and officers to the fullest extent authorized by the DGCL and must also pay expenses incurred in defending any such proceeding in advance of its final disposition upon delivery of an undertaking, by or on behalf of an indemnified person, to repay all amounts so advanced if it should be determined ultimately that such person is not entitled to be indemnified under this section or otherwise.

We have entered into indemnification agreements with each of our current directors and officers. These agreements require us to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified.

The indemnification rights set forth above shall not be exclusive of any other right which an indemnified person may have or hereafter acquire under any statute, provision of our restated certificate of incorporation, our amended and restated bylaws, agreement, vote of stockholders or disinterested directors or otherwise.

We expect to maintain standard policies of insurance that provide coverage (1) to our directors and officers against loss rising from claims made by reason of breach of duty or other wrongful act and (2) to us with respect to indemnification payments that we may make to such directors and officers.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the Securities Act; (ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and (iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; provided, however, that clauses (i), (ii) and (iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the Registration Statement;
2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;
3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;
4. That, for the purpose of determining liability under the Securities Act to any purchaser:
 - a. Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the Registration Statement as of the date the filed prospectus was deemed part of and included in the Registration Statement; and
 - b. Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a Registration Statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by section 10(a) of the Securities Act shall be deemed to be part of and included in the Registration Statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the Registration Statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; provided, however, that no statement made in a Registration Statement or prospectus that is part of the Registration Statement or made in a document incorporated or deemed incorporated by reference

into the Registration Statement or prospectus that is part of the Registration Statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the Registration Statement or prospectus that was part of the Registration Statement or made in any such document immediately prior to such effective date; and

5. That, for the purpose of determining liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:
 - a. Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
 - b. Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;
 - c. The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and
 - d. Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
6. That, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
7. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Atlanta, State of Georgia, on October 11, 2019.

Ladies and Gentlemen:

We have acted as counsel for United Parcel Service, Inc., a Delaware corporation (the “Company”), in connection with the registration pursuant to a Registration Statement on Form S-3 (the “Registration Statement”) filed by the Company with the Securities and Exchange Commission (the “Commission”) under the Securities Act of 1933, as amended, of an indeterminate amount of (i) debt securities of the Company (the “Debt Securities”), which may be issued pursuant to that certain Indenture, dated as of August 26, 2003 (as supplemented, the “Indenture”), between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (as successor to Citigroup, N.A.) (the “Trustee”); (ii) shares of preferred stock, par value \$0.01 per share (“Preferred Stock”), of the Company; (iii) shares of Class B common stock, par value \$0.01 per share (“Common Stock”), of the Company; and (iv) warrants of the Company to purchase any of the securities listed in clauses (i), (ii) and (iii) (collectively, “Warrants”). This opinion is being provided at your request, to be filed with the Commission as an exhibit to the Registration Statement.

In connection with this opinion, we have reviewed such matters of law and examined original, certified, conformed or photographic copies of such other documents, records, agreements and certificates as we have deemed necessary as a basis for the opinions hereinafter expressed. In such review, we have assumed the genuineness of signatures on all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as certified, conformed or photographic copies. We have relied, as to the matters set forth therein, on certificates of public officials. As to certain matters of fact material to this opinion, we have relied, without independent verification, upon certificates of certain officers of the Company.

We have assumed that the execution and delivery of, and the performance of all obligations under, the Indenture has been duly authorized by all requisite action by the Trustee, and that the Indenture is a valid and binding agreement of the Trustee, enforceable against the Trustee in accordance with its terms.

Based upon the foregoing, and subject to the assumptions, qualifications and limitations set forth herein, we are of the opinion that:

- (1) Upon the due authorization of the issuance of Debt Securities and the issuance and sale thereof as described in the Registration Statement (together with any applicable Prospectus Supplement) and, when executed by the Company and duly authenticated by the Trustee in accordance with the terms of the Indenture, and upon the delivery to and payment for such Debt Securities by the purchasers thereof, the Debt Securities will constitute valid and binding obligations of the Company enforceable against the Company in accordance with their terms, subject, as to the enforcement of remedies, to bankruptcy, insolvency, reorganization, moratorium and similar laws affecting the rights and remedies of creditors generally and to the effect of general principles of equity.
 - (2) Upon the due authorization of the issuance of shares of Preferred Stock and the issuance and sale thereof as described in the Registration Statement (together with any applicable Prospectus Supplement), and the delivery to and payment for such shares of Preferred Stock by the purchasers thereof, such shares of Preferred Stock will be validly issued, fully paid and non-assessable.
-

- (3) Upon the due authorization of the issuance of shares of Common Stock and the issuance and sale thereof as described in the Registration Statement (together with any applicable Prospectus Supplement), and the delivery to and payment for such shares of Common Stock by the purchasers thereof, such shares of Common Stock will be validly issued, fully paid and non-assessable.
- (4) Upon the due authorization of the issuance of Warrants and the issuance and sale thereof as described in the Registration Statement (together with any applicable Prospectus Supplement) and, when the warrant agreement governing and establishing the terms of the Warrants has been duly authorized, executed and delivered by the Company, and upon the delivery to and payment for such Warrants by the purchasers thereof, such Warrants will constitute valid and binding obligations of the Company enforceable against the Company in accordance with their terms, subject, as to the enforcement of remedies, to bankruptcy, insolvency, reorganization, moratorium and similar laws affecting the rights and remedies of creditors generally and to the effect of general principles of equity.

The opinions expressed herein are limited in all respects to the federal laws of the United States of America and the corporate law of the State of Delaware (which includes the Delaware General Corporation Law, applicable provisions of the Delaware Constitution and reported judicial interpretations concerning those laws), and no opinion is expressed with respect to the laws of any other jurisdiction or any effect which such laws may have on the opinions expressed herein. This opinion is limited to the matters stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated herein.

This opinion is given as of the date hereof, and we assume no obligation to advise you after the date hereof of facts or circumstances that come to our attention or changes in law that occur which could affect the opinions contained herein. This opinion is being rendered solely for the benefit of the Company in connection with the matters addressed herein.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to us under the caption "Validity of the Securities" in the Prospectus that is included in the Registration Statement.
