1. Starting in 2010, China will be used as a proxy for Asia Region operating days. Singapore days were used previously.

2. Germany is used as a proxy for Europe Region operating days.

* On April 30, 2021, UPS completed the divestiture of UPS Freight, our less-than-truckload (LTL) business.

** Starting in 2024, UPS added Martin Luther King Junior's Day as a holiday.
