**To the Representatives named in Schedule I
of the several Underwriters named in Schedule II**

Ladies and Gentlemen:

United Parcel Service, Inc., a Delaware corporation (the "Company"), proposes, subject to the terms and conditions stated herein, to issue and sell to the firms named in Schedule II hereto (such firms constituting the "Underwriters") certain of its debt securities specified in Schedule III hereto (the "Designated Securities") to be issued under an indenture, dated as of August 26, 2003 (the "Indenture"). The representative or representatives of the Underwriters, if any, specified in Schedule I hereto are hereinafter referred to as the "Representatives."

The Company has filed with the Securities and Exchange Commission (the "Commission") an automatic shelf registration statement on FormS-3 (File No. 333-214056), including the related preliminary prospectus or prospectuses, which registration statement became effective upon filing under Rule 462(e) of the rules and regulations of the Commission under the Securities Act of 1933, as amended (the "Act"). Such registration statement covers the registration of the Designated Securities under the Act. Promptly after the execution and delivery of this Agreement, the Company will prepare and file a prospectus in accordance with the provisions of Rule 430B and Rule 424(b) under the Act. Any information included in such prospectus that was omitted from such registration statement at the time it became effective but that is deemed to be part of and included in such registration statement pursuant to Rule 430B is referred to as "Rule 430B Information." Each prospectus used in connection with the offering of the Designated Securities that omitted Rule 430B Information is herein called a "preliminary prospectus." The term "Registration Statement," as of any time, means the registration statement as amended by any amendment thereto, registering the offer and sale of the Designated Securities, among other securities, in the form then filed by the Company with the Commission, including any document incorporated by reference therein and any prospectus, prospectus supplement and/or pricing supplement deemed or retroactively deemed to be a part thereof at such time that has not been superseded or modified. "Registration Statement" without reference to a time means such registration statement, as amended, as of the Applicable Time (as defined in Section 1(b) herein); for purposes of this definition, information contained in a form of prospectus, prospectus supplement or pricing supplement that is retroactively deemed to be part of such registration statement, as amended, pursuant to Rule 430B or Rule 430C under the Act shall be considered to be included in such registration statement, as amended, as of the time specified in Rule 430B or 430C, as the case may be. The final prospectus in the form first furnished to the Underwriters for use in connection with the

offering of the Designated Securities, including the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Act at the time of the execution of this Agreement and any preliminary prospectuses that form a part thereof, is herein called the "Prospectus." For purposes of this Agreement, all references to the Registration Statement, any preliminary prospectus, the Prospectus or any amendment or supplement to any of the foregoing shall be deemed to include the copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system ("EDGAR").

1. The Company represents and warrants to each of the Underwriters as of the date hereof, as of the Applicable Time and as of the Time of Delivery (as defined in Section 3 herein), and agrees with each of the Underwriters, that:

(a) (A) At the earliest time after filing of the Registration Statement, (B) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") or form of prospectus), (C) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c) under the Act) made any offer relating to the Designated Securities in reliance on the exemption of Rule 163 and (D) at the date hereof, the Company was and is a "well-known seasoned issuer" as defined in Rule 405 under the Act, including not having been and not being an "ineligible issuer" as defined in Rule 405; the Registration Statement is an "automatic shelf registration statement," as defined in Rule 405, and the Designated Securities, since their registration on the Registration Statement, have been and remain eligible for registration by the Company on a Rule 405 "automatic shelf registration statement"; the Company has not received from the Commission any notice pursuant to Rule 401(g)(2) under the Act objecting to the use of the automatic shelf registration statement form; and at the earliest time after filing of the Registration Statement, at the earliest time thereafter that the Company or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h)(2) under the Act) of the Designated Securities and at the date hereof, the Company was not and is not an "ineligible issuer," as defined in Rule 405.

(b) The Registration Statement became effective upon filing under Rule 462(e) under the Act on October 11, 2016, and any post-effective amendment thereto also became effective upon filing under Rule 462(e); no stop order suspending the effectiveness of the Registration Statement has been issued under the Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Company, are contemplated by the Commission, and any request on the part of the Commission for additional information has been complied with; and the Company is not the subject of a pending proceeding under Section 8A of the Act in connection with the offering of the Designated Securities.

Any offer that is a written communication relating to the Designated Securities made prior to the filing of the Registration Statement by the Company or any person acting on its behalf (within the meaning, for this paragraph only, of Rule 163(c) under the Act) has been filed with the Commission in accordance with the exemption provided by Rule 163 and otherwise complied with the requirements of Rule 163, including without limitation the legending requirement, to qualify such offer for the exemption from Section 5(c) of the Act provided by Rule 163.

The term “Statutory Prospectus” as of any time means the prospectus relating to the Designated Securities that is included in the Registration Statement immediately prior to that time, including any document incorporated by reference therein and any preliminary or other prospectus deemed to be a part thereof.

The term “Issuer General Use Free Writing Prospectus” means any Issuer Free Writing Prospectus that is intended for general distribution to prospective investors, as evidenced by its being specified in Schedule V hereto.

The term “Issuer Limited Use Free Writing Prospectus” means any Issuer Free Writing Prospectus that is not an Issuer General Use Free Writing Prospectus.

The term “Applicable Time” means 4:00 pm (Eastern time) on March 28, 2017 or such other time as agreed by the Company and the Representatives.

(c) The documents incorporated by reference in the Prospectus, when they became effective or were filed with the Commission, as the case may be, conformed in all material respects to the requirements of the Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder, and none of such documents, when they became effective or were filed with the Commission, contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; and any further documents so filed and incorporated by reference in the Prospectus, when such documents become effective or are filed with the Commission, as the case may be, will conform in all material respects to the requirements of the Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder and will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, that this representation and warranty shall not apply to (i) any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter of Designated Securities through the Representatives expressly for use in the Prospectus as amended or supplemented relating to the Designated Securities or (ii) the Form T-1.

(d) The Registration Statement, as of its effective date or the date of any post-effective amendment thereto, conformed, and the Prospectus as of its issue date conformed, and any further amendments or supplements to the Registration Statement or the Prospectus as of their respective effective or issue dates will conform, in all material respects to the requirements of the Act and the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”), and the rules and regulations of the Commission

thereunder; and (i) the Registration Statement and any amendment thereto, as of the applicable effective date of the Registration Statement or any such amendment, did not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, (ii) the Prospectus and any amendment or supplement thereto, as of the date of the Prospectus or any such amendment or supplement, will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, and (iii) the Prospectus, as amended or supplemented, if applicable, at the Time of Delivery, will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however*, that this representation and warranty shall not apply to (i) any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter of Designated Securities through the Representatives expressly for use in the Prospectus as amended or supplemented relating to the Designated Securities or (ii) the Form T-1.

(e) Each preliminary prospectus (including the prospectus or prospectuses filed as part of the Registration Statement or any amendment thereto) complied when so filed in all material respects with the rules and regulations under the Act and each preliminary prospectus and the Prospectus delivered to the Underwriters for use in connection with this offering was identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(f) As of the Applicable Time, neither (i) the Issuer General Use Free Writing Prospectus(es) issued at or prior to the Applicable Time and the Statutory Prospectus at the Applicable Time, all considered together (collectively, the "General Disclosure Package"), nor (ii) any individual Issuer Limited Use Free Writing Prospectus, when considered together with the General Disclosure Package, included any untrue statement of a material fact or omitted to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; the representations and warranties in this subsection shall not apply to statements in or omissions from the Registration Statement, the Prospectus or any Issuer Free Writing Prospectus made in reliance upon and in conformity with written information furnished to the Company by any Underwriter through the Representatives expressly for use therein.

(g) Each Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the public offer and sale of the Designated Securities, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement or the Prospectus, including any document incorporated by reference therein and any preliminary or other prospectus deemed to be a part thereof that has not been superseded or modified.

(h) Since the respective dates as of which information is given in the Registration Statement, the General Disclosure Package and the Prospectus, except as otherwise stated therein, there has not been any change in the capital stock (other than changes due to (i) repurchases of common stock of the Company pursuant to previously

announced stock repurchase programs, (ii) issuances or other transfers of capital stock in the ordinary course of business pursuant to the Company's employee benefit plans and (iii) conversions of shares of the Company's class A common stock into shares of the Company's class B common stock) or a material increase in the long-term debt of the Company and its subsidiaries taken as a whole or any material adverse change or any development involving a prospective material adverse change, in or affecting the business, financial condition, stockholders' equity or results of operations of the Company and its subsidiaries taken as a whole (a "Material Adverse Change").

(i) The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, with corporate power and authority to own its properties and conduct its business as described in the General Disclosure Package and the Prospectus.

(j) This Agreement has been duly authorized, executed and delivered by the Company. The Designated Securities have been duly authorized, and, when executed, authenticated, issued, delivered and paid for pursuant to this Agreement and authenticated by the Trustee, will have been duly executed, authenticated, issued and delivered and will constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject, as to enforcement of remedies, to bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights and remedies of creditors generally and to the effect of general principles of equity, entitled to the benefits provided by the Indenture; the Indenture has been duly authorized and duly qualified under the Trust Indenture Act and, at the Time of Delivery, the Indenture will constitute a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, subject, as to enforcement of remedies, to bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights and remedies of creditors generally and to the effect of general principles of equity; and the Indenture conforms, and the Designated Securities will conform, in all material respects to the descriptions thereof contained in the General Disclosure Package and the Prospectus.

(k) The issue and sale of the Designated Securities and the compliance by the Company with all of the provisions of the Designated Securities, the Indenture and this Agreement, and the consummation of the transactions herein and therein contemplated, will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company is a party that is material to the Company and its subsidiaries taken as a whole, except for such breaches, violations or defaults that would not result in a Material Adverse Change, nor will such action result in any violation of the provisions of the Restated Certificate of Incorporation or By-laws of the Company or any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company; and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Designated Securities or the consummation by the Company of the transactions contemplated by this Agreement or the Indenture, except (i) where the failure to obtain any such consent, approval, authorization, order, registration or qualification would not result in a Material Adverse Change and (ii) for such consents, approvals, authorizations, orders,

registrations or qualifications that have been, or will have been prior to the Time of Delivery, obtained under the Act and the Trust Indenture Act and or that may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Designated Securities by the Underwriters.

(l) The Company is not, and after giving effect to the offering and sale of the Designated Securities and the application of the proceeds thereof as described in the General Disclosure Package and the Prospectus, the Company will not be, required to register as an "investment company" as such term is defined in the Investment Company Act of 1940, as amended (the "1940 Act").

(m) The financial statements included in the Registration Statement, the General Disclosure Package and the Prospectus, together with the related schedules and notes, present fairly the financial position of the Company and its consolidated subsidiaries at the dates indicated and the statement of operations, stockholders' equity and cash flows of the Company and its consolidated subsidiaries for the periods specified; and said financial statements have been prepared in conformity with generally accepted accounting principles ("GAAP") applied on a consistent basis throughout the periods involved; the supporting schedules, if any, present fairly in accordance with GAAP the information required to be stated therein. The interactive data in eXtensible Business Reporting Language ("XBRL") incorporated by reference into the Registration Statement, the General Disclosure Package and the Prospectus present fairly in all material respects the information called for and is prepared in accordance with the Commission's rules and guidelines applicable thereto.

(n) The Company and each of its subsidiaries maintain a system of internal control over financial reporting (as such term is defined in Rule 13a-15(f) of the Exchange Act) that complies with the requirements of the Exchange Act and that has been designed by, or under the supervision of, the Company's principal executive and principal financial officers, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP. The Company and each of its subsidiaries maintain a system of internal accounting controls sufficient to provide reasonable assurances that (i) transactions are executed in accordance with management's general or specific authorization; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain accountability for assets; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. Except as described in the Registration Statement, the General Disclosure Package and the Prospectus, since the end of the Company's most recent audited fiscal year, there has been (1) no material weakness in the Company's internal control over financial reporting (whether or not remediated) and (2) no change in the Company's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

(o) The Company and its consolidated subsidiaries employ disclosure controls and procedures that are designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded,

processed, summarized and reported, within the time periods specified in the Commission's rules and forms, and is accumulated and communicated to the Company's management, including its principal executive officer or officers and principal financial officer or officers, as appropriate, to allow timely decisions regarding disclosure.

2. The several Underwriters propose to offer the Designated Securities for sale upon the terms and conditions set forth in the General Disclosure Package. On the basis of the representations and warranties herein contained and subject to the terms and conditions herein set forth, the Company agrees to sell to each Underwriter, severally and not jointly, and each Underwriter, severally and not jointly, agrees to purchase from the Company, at the price set forth in Schedule III, the aggregate principal amount of Designated Securities set forth in Schedule II opposite the name of such Underwriter, plus any additional principal amount of Designated Securities which such Underwriter may become obligated to purchase pursuant to the provisions of Section 8 hereof.

3. The Designated Securities to be purchased by each Underwriter pursuant to this Agreement, in the form specified herein, and in such authorized denominations and registered in such names as the Representatives may request upon at least 48 hours' prior notice to the Company, shall be delivered by or on behalf of the Company to the Representatives for the account of such Underwriter, against payment by such Underwriter or on its behalf of the purchase price therefor by wire transfer of Federal (same-day) funds to the account specified by the Company to the Representatives at least 48 hours in advance or at such other place and time and date as the Representatives and the Company may agree upon in writing, such time and date being herein called the "Time of Delivery."

4. The Company agrees with each of the Underwriters of the Designated Securities:

(a) The Company will prepare the Prospectus in relation to the Designated Securities in a form reasonably approved by the Representatives and will file such Prospectus in accordance with the provisions of Rule 430B and Rule 424(b) under the Act not later than the Commission's close of business on the second business day following the execution and delivery of this Agreement or, if applicable, such earlier time as may be required by Rule 424(b); the Company will make no further amendment or any supplement to the Registration Statement or the Prospectus as amended or supplemented after the date of this Agreement and prior to the Time of Delivery if the Representatives reasonably disapprove thereof promptly after reasonable notice thereof (*provided, however*, that (i) the Company may make any such further amendment or supplement which, in the opinion of counsel to the Company, is required by law, and (ii) the Company shall only be required to provide the Company's reports to be filed with the Commission pursuant to the Exchange Act to the Representatives on the business day prior to the date on which such filings are to be transmitted for filing with the Commission); the Company will advise the Representatives promptly of any such amendment or supplement after such Time of Delivery and furnish the Representatives with copies thereof; the Company will file promptly all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act subsequent to the date of the Prospectus for so long as the delivery of a prospectus is required in connection with the offering or sale of the Designated Securities; and during such same period the Company will advise the Representatives, promptly after it receives notice thereof, of the time when any amendment to the Registration Statement has been filed or becomes

effective or any amendment or supplement to the Prospectus has been filed with the Commission, of the issuance by the Commission of any stop order or of any order preventing or suspending the use of any prospectus relating to the Designated Securities, of the suspension of the qualification of the Designated Securities for offering or sale in any jurisdiction, of the initiation or threatening of any proceeding for any such purpose or of any examination pursuant to Section 8(e) of the Act concerning the Registration Statement, if the Company becomes the subject of a proceeding under Section 8A of the Act in connection with the offering of the Designated Securities, or of any request by the Commission for the amending or supplementing of the Registration Statement or Prospectus or for additional information; and, in the event of the issuance of any such stop order or of any such order preventing or suspending the use of any prospectus relating to the Designated Securities or suspending any such qualification, the Company will promptly use its best efforts to obtain the withdrawal of such order.

(b) The Company promptly from time to time will take such action as the Representatives may reasonably request to qualify the Designated Securities for offering and sale under the securities laws of such jurisdictions as the Representatives reasonably may request and to comply with such laws so as to permit the continuance of sales and dealings therein in such jurisdictions for as long as may be necessary to complete the distribution of the Designated Securities, provided that in connection therewith the Company shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction.

(c) Unless otherwise agreed to by the Representatives, prior to 3:00 p.m., New York City time, on the business day next succeeding the date of this Agreement and from time to time, the Company will furnish the Underwriters with written and electronic copies of the Prospectus as amended or supplemented in New York City in such quantities as the Representatives may reasonably request, and, if the delivery of a prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Act) is required at any time prior to the expiration of nine months after the issue date of the Prospectus in connection with the offering or sale of the Designated Securities and if at such time any event shall have occurred as a result of which the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such Prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Act) is delivered, not misleading, or, if for any other reason it shall be necessary during such same period to amend or supplement the Registration Statement or the Prospectus, to notify the Representatives and upon their request to file such document and to prepare and furnish without charge to each Underwriter and to any dealer in securities as many written and electronic copies as the Representatives may from time to time reasonably request of an amended Registration Statement or Prospectus or a supplement to the Registration Statement or Prospectus which will correct such statement or omission or effect such compliance.

(d) The Company will make generally available to its securityholders as soon as practicable, but in any event not later than 18 months after the effective date of the Registration Statement (as defined in Rule 158(c) under the Act), an earnings statement of the Company and its subsidiaries (which need not be audited) complying with Section 11(a) of the Act and the rules and regulations of the Commission thereunder (including, at the option of the Company, Rule 158).

(e) During the period beginning from the date hereof and continuing to and including the later of (i) the termination of trading restrictions for such Designated Securities, as notified to the Company by the Representatives and (ii) the Time of Delivery, the Company will not offer, sell, contract to sell or otherwise dispose of any debt securities of the Company which mature more than one year after the Time of Delivery and which are substantially similar to the Designated Securities, without the prior written consent of the Representatives.

(f) The Company shall pay the required Commission filing fees relating to the Designated Securities within the time period required by Rule 456(b)(1)(i) under the Act without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) under the Act, and, if applicable, shall update the "Calculation of Registration Fee" table in accordance with Rule 456(b)(1)(ii) either in a post-effective amendment to the Registration Statement or on the cover page of a prospectus filed pursuant to Rule 424(b).

(g) The Company represents and agrees that, unless it obtains the prior consent of the Representatives, and each Underwriter represents and agrees that, unless it obtains the prior consent of the Company and the Representatives, it has not made and will not make any offer relating to the Designated Securities that would constitute an "issuer free writing prospectus," as defined in Rule 433, or that would otherwise constitute a "free writing prospectus," as defined in Rule 405, required to be filed with the Commission; *provided, however*, that prior to the preparation of the Final Term Sheet in accordance with subsection (h) below, the Underwriters are authorized to use the information with respect to the final terms of the Designated Securities in communications conveying information relating to the offering to investors. Any such free writing prospectus consented to by the Company and the Representatives is hereinafter referred to as a "Permitted Free Writing Prospectus." The Company represents that it has treated or agrees that it will treat each Permitted Free Writing Prospectus as an "issuer free writing prospectus," as defined in Rule 433, and has complied and will comply with the requirements of Rule 433 applicable to any Permitted Free Writing Prospectus, including timely filing with the Commission where required, legending and record keeping.

(h) The Company will prepare a final term sheet containing only a description of the Designated Securities, in a form attached hereto as Schedule IV and approved by the Representatives, and will file such term sheet pursuant to Rule 433(d) within the time required by such rule (such term sheet, the "Final Term Sheet"); the Final Term Sheet is an Issuer General Use Free Writing Prospectus for purposes of this Agreement.

5. The Company covenants and agrees with the several Underwriters that the Company will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company's counsel and accountants in connection with the registration of the Designated Securities under the Act and all other expenses in connection with the preparation, printing and filing of the Registration Statement, the Statutory Prospectus, any General Use Issuer Free Writing Prospectus and the Prospectus and amendments and supplements thereto and the mailing and delivering of copies thereof to the Underwriters and dealers; (ii) the cost of printing

or producing any Agreement among Underwriters, this Agreement, any Indenture, closing documents (including any compilations thereof) and any other documents in connection with the offering, purchase, sale and delivery of the Designated Securities; (iii) all expenses in connection with the qualification of the Designated Securities for offering and sale under state securities laws as provided in Section 4(b) hereof, including the fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with any Blue Sky survey and the preparation of any Blue Sky Memorandum; (iv) any fees charged by securities rating services for rating the Designated Securities; (v) any filing fees incident to, and the reasonable fees and disbursements of counsel for the Underwriters in connection with, any required review by the Financial Industry Regulatory Authority of the terms of the sale of the Designated Securities; (vi) the cost of preparing the Designated Securities; (vii) the fees and expenses of any Trustee and any agent of any Trustee and the reasonable fees and disbursements of counsel for any Trustee in connection with any Indenture and the Designated Securities; (viii) the costs and expenses of the Company relating to investor presentations on any "road show" undertaken in connection with the marketing of the Designated Securities, including without limitation, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations, travel and lodging expenses of the representatives and officers of the Company and any such consultants, and the cost of aircraft and other transportation chartered in connection with the road show; and (ix) all other costs and expenses incident to the performance of its obligations hereunder which are not otherwise specifically provided for in this Section 5. It is understood, however, that, except as provided in this Section 5, and Sections 7 and 10 hereof, the Underwriters will pay all of their own costs and expenses, including the fees and expenses of their counsel, transfer taxes on resale of any of the Designated Securities by them, and any advertising or roadshow expenses connected with any offers they may make.

6. The obligations of the Underwriters under this Agreement shall be subject, in the discretion of the Representatives, to the condition that all representations and warranties and other statements of the Company in this Agreement are, at and as of the Time of Delivery, true and correct, the condition that the Company shall have performed all of its obligations hereunder theretofore to be performed, and the following additional conditions:

(a) The Statutory Prospectus and the Prospectus as amended or supplemented shall each have been filed with the Commission pursuant to Rule 424(b) within the applicable time period prescribed for such filing by the rules and regulations under the Act, without reliance on Rule 424(b)(8), and in accordance with Section 4(a) hereof; no stop order suspending the effectiveness of the Registration Statement shall have been issued and no proceeding for that purpose shall have been initiated or threatened by the Commission; and all requests for additional information on the part of the Commission shall have been complied with to the Representatives' reasonable satisfaction.

(b) Counsel for the Underwriters shall have furnished to the Representatives such written opinion or opinions, dated the Time of Delivery, with respect to the valid existence of the Company, the validity of the Designated Securities, the Registration Statement, the General Disclosure Package, the Prospectus and such other related matters as the Representatives may reasonably request, and such counsel shall have received such papers and information as they may reasonably request to enable them to pass upon such matters.

(c) The Company shall have paid the required Commission filing fees relating to the Designated Securities within the time period required by Rule 456(b)(1)(i) under the Act without

regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) under the Act, and, if applicable, shall have updated the "Calculation of Registration Fee" table in accordance with Rule 456(b)(1)(ii) either in a post-effective amendment to the Registration Statement or on the cover page of a prospectus filed pursuant to Rule 424(b).

(d) King & Spalding LLP, special counsel for the Company, shall have furnished to the Representatives their written opinion, dated the Time of Delivery, in form and substance reasonably satisfactory to the Representatives, to the effect that:

(i) The Company is a corporation validly existing and in good standing under the laws of the State of Delaware with the corporate power and authority under such laws to own its properties and conduct its business as described in the General Disclosure Package and the Prospectus.

(ii) The Indenture has been duly authorized, executed and delivered by the Company; the Indenture constitutes a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, subject, as to enforcement of remedies, to bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights and remedies of creditors generally and to the effect of general principles of equity. The Indenture has been duly qualified under the Trust Indenture Act.

(iii) The Designated Securities have been duly authorized and, when executed, authenticated, issued and delivered in the manner provided for in the Indenture against payment therefor as provided in this Agreement, will (A) constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject, as to enforcement of remedies, to bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights and remedies of creditors generally and to the effect of general principles of equity and (B) be entitled to the benefits of the Indenture. The Designated Securities and the Indenture conform or will conform, as applicable, in all material respects to the descriptions thereof in the General Disclosure Package and the Prospectus.

(iv) The execution, delivery and performance of the Indenture and this Agreement by the Company, the issuance and sale of the Designated Securities by the Company and the consummation of the transactions contemplated herein and therein by the Company (a) do not and will not result in any violation of the certificate of incorporation or bylaws of the Company and (b) do not and will not result in a breach or violation by the Company of any of the terms and provisions of, or constitute a default by the Company under, any agreement or other instrument binding upon the Company or any Significant Subsidiary filed or incorporated by reference as an exhibit to the Registration Statement or the documents incorporated by reference therein. The Company has the corporate power and authority to issue and sell the Designated Securities as contemplated by this Agreement.

(v) The execution, delivery and performance of the Indenture, this Agreement and the issuance and sale of the Designated Securities by the Company and the consummation of the transactions contemplated herein and therein by the Company do not and will not result in a violation of any existing material law, rule or regulation applicable to the Company.

(vi) No consent, approval, authorization or order of, or filing with, any governmental agency or body or any court is required to be obtained by the Company for the issuance, sale and delivery of the Designated Securities by the Company or for the consummation by the Company of the transactions contemplated by this Agreement, except such as have been obtained and made under the Act and the Trust Indenture Act and such as may be required under state securities laws.

(vii) This Agreement has been duly authorized, executed and delivered by the Company.

(viii) The Registration Statement has become effective under the Act, and, to the knowledge of such counsel, no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been instituted or are pending under the Act; and the Registration Statement, as of its effective date, and the Prospectus, as amended or supplemented as of its issue date and the Time of Delivery, complied as to form in all material respects with the requirements of the Act, the Trust Indenture Act and the Rules and Regulations (in each case other than the financial statements and notes thereto, the financial statement schedules and other financial data and Form T-1 included or incorporated by reference therein).

(ix) The Company is not required, and upon the issuance and sale of the Designated Securities as herein contemplated and the application of the net proceeds therefrom as described in the Prospectus will not be required, to register as an "investment company" under the 1940 Act.

(x) Each document filed pursuant to the Exchange Act, and incorporated by reference in the Prospectus, when such document was filed with the Commission, complied as to form in all material respects with the Exchange Act and the rules and regulations thereunder (in each case other than the financial statements and notes thereto, the financial statement schedules and other financial data included or incorporated by reference therein).

In addition, such counsel shall state that, in its capacity as counsel for the Company, it has rendered legal advice and assistance in connection with the Company's preparation of the Registration Statement, the General Disclosure Package and the Prospectus. Rendering such assistance included, among other things, discussions and inquiries concerning various legal matters, the review of certain documents, and participating in conferences with officers and other representatives of the Company, representatives of the Company's independent auditors and representatives of the Underwriters and their counsel during which the contents of the Registration Statement, the General Disclosure Package and the Prospectus and related matters were discussed and reviewed. Such counsel shall state that although it is not passing upon and does not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Registration Statement, the General Disclosure Package or the Prospectus as amended or supplemented, except as set forth in subsection (d)(iii) above, on the basis of the information that was developed in the course of the

performance of the services referred to above, nothing has come to its attention that causes it to believe that (a) any part of the Registration Statement, when such part became effective, contained an untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein not misleading (b) that the General Disclosure Package, as of the Applicable Time, contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, or (c) the Prospectus or any further amendment or supplement thereto made by the Company, as of the issue date thereof and as of the Time of Delivery, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; except that, with respect to clauses (a), (b) and (c), such counsel does not express a belief with respect to the financial statements and notes thereto and the financial statement schedules and other financial data included or incorporated by reference therein or omitted therefrom, and with respect to clause (a), such counsel does not express a belief with respect to the Form T-1.

(e) A representative of the Legal Department of the Company satisfactory to the Representatives shall have furnished to the Representatives his or her written opinion, dated the Time of Delivery, in form and substance reasonably satisfactory to the Representatives, to the effect that:

(i) The Company is duly qualified to do business as a foreign corporation in good standing in each jurisdiction in which it owns or leases material properties or in which the conduct of its business requires such qualification and in which the failure to be so qualified would result in a Material Adverse Change.

(ii) Each subsidiary of the Company that is a "significant subsidiary," as defined in Rule 1-02(w) of Regulation S-X under the Act (each a "Significant Subsidiary"), has been duly incorporated, is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, has the corporate power and authority to own its property and to conduct its business as described in the General Disclosure Package and the Prospectus and is duly qualified to transact business as a foreign corporation and is in good standing in each jurisdiction in which it owns or leases substantial properties or in which the conduct of its business requires such qualification, except to the extent that the failure to be so qualified or be in good standing would not result in a Material Adverse Change.

(iii) The statements in (a) the documents incorporated by reference into the General Disclosure Package or the Prospectus under the captions "Government Regulation" and "Legal Proceedings" in the Company's most recently filed Annual Report on Form 10-K and Part II, Item 1 of the Company's subsequently filed Quarterly Reports on Form 10-Q, if any (or comparable paragraphs under the caption "Liquidity and Capital Resources" in Part I, Item 2 of such Quarterly Reports or Form 10-Q, as the case may be), and (b) the Registration Statement under Item 15, insofar as such statements purport to constitute summaries of the documents (or provisions thereof), statutes (or provisions thereof) or legal proceedings referred to therein, fairly present the information required to be

described with respect to such documents (or provisions thereof), statutes (or provisions thereof) or legal proceedings and accurately summarize in all material respects such documents (or provisions thereof), statutes (or provisions thereof) or legal proceedings.

(iv) To the knowledge of such counsel, (a) there are no legal or governmental proceedings pending or threatened to which the Company or any Significant Subsidiary is a party, or to which any of the properties of the Company or any Significant Subsidiary is subject, that are required to be described in the Registration Statement, the General Disclosure Package or the Prospectus and are not so described, and (b) there are no statutes, regulations or contracts that are required to be described in the Registration Statement, the General Disclosure Package or the Prospectus or to be filed as exhibits to the Registration Statement that are not described or filed as required.

(v) The execution, delivery and performance of the Indenture, this Agreement and the issuance and sale of the Designated Securities by the Company and the consummation of the transactions contemplated herein and therein by the Company do not and will not result in a violation of any material judgment, order, writ, injunction or decree known to such counsel of any governmental authority or court having jurisdiction over the Company.

(f) As of the date hereof, the Representatives shall have received from Deloitte & Touche LLP a letter dated such date, in form and substance satisfactory to the Representatives, together with signed or reproduced copies of such letter for each of the other Underwriters containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained in the Registration Statement and the Prospectus.

At the Time of Delivery, the Representatives shall have received from Deloitte & Touche LLP a letter, dated as of the Time of Delivery, to the effect that they reaffirm the statements made in the letter furnished pursuant to the first paragraph of this subsection (f), except that the specified date referred to shall be a date not more than three business days prior to the Time of Delivery.

(g) Since the execution and delivery of this Agreement, neither the Company nor any of its subsidiaries shall have sustained any loss or interference with its business from any calamity, labor dispute or court or governmental action, order or decree, other than as set forth in or contemplated by the Registration Statement, the General Disclosure Package and the Prospectus (exclusive of any amendments or supplements thereto subsequent to the date of this Agreement), and there shall not have been any change in the capital stock (other than changes due to (i) repurchases of common stock of the Company pursuant to previously announced stock repurchase programs, (ii) issuances or other transfers of capital stock in the ordinary course of business pursuant to the Company's employee benefit plans and (iii) conversions of shares of the Company's class A common stock into shares of the Company's class B common stock) or a material increase in the long-term debt of the Company and its subsidiaries taken as a whole or any change, or any development reasonably likely to result in a change, in or affecting the business, financial condition, stockholders' equity or results of operations of the Company and its subsidiaries, otherwise than as set forth or contemplated in the General Disclosure Package or the Prospectus (exclusive of any amendments or

supplements thereto subsequent to the date of this Agreement) reviewed by the Representatives at the time of execution and delivery of this Agreement, the effect of which in any such case is in your judgment so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated in the General Disclosure Package.

(h) On or after the date of this Agreement (i) no downgrading shall have occurred in the rating accorded the Company's debt securities or preferred stock by any "nationally recognized statistical rating organization" registered with the SEC pursuant to Section 15E of the Exchange Act, and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company's debt securities or preferred stock.

(i) On or after the date of this Agreement there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the New York Stock Exchange; (ii) a suspension or material limitation in trading in the Company's securities on the New York Stock Exchange; (iii) a general moratorium on commercial banking activities declared by either Federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; (iv) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war or (v) the occurrence of any other calamity or crisis or any material adverse change in financial, political or economic conditions in the United States or elsewhere, if the effect of any such event specified in clause (iv) or (v) in the judgment of the Representatives makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated in the General Disclosure Package.

(j) The Company shall have complied with the provisions of Section 4(c) hereof.

(k) The Company shall have furnished or caused to be furnished to the Representatives at the Time of Delivery a certificate or certificates of officers of the Company satisfactory to the Representatives as to the accuracy of the representations and warranties of the Company herein at and as of the Time of Delivery, as to the performance by the Company of all of its obligations hereunder to be performed at or prior to the Time of Delivery, as to the matters set forth in subsections (a) and (h) of this Section 6 and as to such other matters as the Representatives may reasonably request.

7. (a) The Company will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Statutory Prospectus, the Prospectus, or any amendment or supplement thereto, or the General Disclosure Package or any Issuer Free Writing Prospectus, or any amendment or supplement thereto or any related preliminary prospectus, relating to the Designated Securities, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that the Company shall not be liable in any such case to the extent that any such loss,

claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any of such documents in reliance upon and in conformity with written information furnished to the Company by any Underwriter of Designated Securities through the Representatives expressly for use therein relating to the Designated Securities.

(b) Each Underwriter will indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise, described in the indemnity contained in subsection (a) of this Section 7, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Statutory Prospectus or the Prospectus, or any amendment or supplement thereto or any related preliminary prospectus, including any pricing supplement, relating to the Designated Securities, or any amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use therein; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection.

In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. The indemnified party or parties shall have the right to employ its or their own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of such indemnified party or parties unless the employment of such counsel shall have been authorized in writing by the indemnifying party in connection with the defense of such proceeding or the indemnifying party shall not have, within a reasonable period of time in light of the circumstances, employed counsel to defend such proceeding or such indemnified party or parties shall have reasonably concluded that there may be defenses available to it or them which are different from, additional to or in conflict with those available to such indemnifying party (in which case such indemnifying party shall not have the right to direct the defense of such proceeding on behalf of the indemnified party or parties), in any of which events such fees and expenses shall be borne by such indemnifying party and paid as incurred (it being understood, however, that such indemnifying party shall not be liable for the expenses of more than one separate counsel (in addition to any local counsel) in any one proceeding or series of related proceedings in the same jurisdiction representing the indemnified parties who are parties to such proceeding).

No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 7 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Designated Securities to which such loss, claim, damage or liability (or action in respect thereof) relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters of the Designated Securities on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and such Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from such offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by such Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or such Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by *pro rata* allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the applicable Designated Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act)

shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The obligations of the Underwriters of Designated Securities in this subsection (d) to contribute are several in proportion to their respective underwriting obligations with respect to the Designated Securities and not joint.

(e) The obligations of the Company under this Section 7 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Act; and the obligations of the Underwriters under this Section 7 shall be several in proportion to their respective underwriting obligations with respect to the Designated Securities and not joint and in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company and to each person, if any, who controls the Company within the meaning of the Act.

8. (a) If any Underwriter shall default in its obligation to purchase the Designated Securities which it has agreed to purchase under this Agreement, the Representatives may in their discretion arrange for themselves or another party or other parties to purchase such Designated Securities on the terms contained herein. If within 36 hours after such default by any Underwriter the Representatives do not arrange for the purchase of such Designated Securities, then the Company shall be entitled to a further period of 36 hours within which to procure another party or other parties satisfactory to the Representatives to purchase such Designated Securities on such terms. In the event that, within the respective prescribed period, the Representatives notify the Company that they have so arranged for the purchase of such Designated Securities, or the Company notifies the Representatives that it has so arranged for the purchase of such Designated Securities, the Representatives or the Company shall have the right to postpone the Time of Delivery for such Designated Securities for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement, the Statutory Prospectus or the Prospectus as amended or supplemented, or in any other documents or arrangements, and the Company agrees to file promptly any amendments or supplements to the Registration Statement, the Statutory Prospectus or the Prospectus which in the opinion of the Representatives may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any person substituted under this Section 8 with like effect as if such person had originally been a party to this Agreement.

(b) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in subsection (a) above, the aggregate principal amount of such Designated Securities which remains unpurchased does not exceed one-eleventh of the aggregate principal amount of the Designated Securities, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Designated Securities which such Underwriter agreed to purchase pursuant to this Agreement and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the principal amount of Designated Securities which such Underwriter agreed to purchase pursuant to this Agreement) of the Designated Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company

as provided in subsection (a) above, the aggregate principal amount of Designated Securities which remains unpurchased exceeds one-eleventh of the aggregate principal amount of the Designated Securities, as referred to in subsection (b) above, or if the Company shall not exercise the right described in subsection (b) above to require non-defaulting Underwriters to purchase Designated Securities of a defaulting Underwriter or Underwriters, then this Agreement relating to such Designated Securities shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Company, except for the expenses to be borne by the Company and the Underwriters as provided in Section 5 hereof and the indemnity and contribution agreements in Section 7 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

9. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company, or any officer or director or controlling person of the Company, and shall survive delivery of and payment for the Designated Securities.

10. If this Agreement shall be terminated pursuant to Section 8 hereof, the Company shall not then be under any liability to any Underwriter with respect to the Designated Securities except as provided in Sections 5 and 7 hereof; but, if for any other reason Designated Securities are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Underwriters through the Representatives for all out-of-pocket expenses approved in writing by the Representatives, including the reasonable fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of such Designated Securities, but the Company shall then be under no further liability to any Underwriter with respect to such Designated Securities except as provided in Sections 5 and 7 hereof.

11. In all dealings hereunder, the Representatives of the Underwriters of Designated Securities shall act on behalf of each of such Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by such Representatives jointly or by such of the Representatives, if any, as may be designated for such purpose in Schedule I to this Agreement.

All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to the address of the Representatives as set forth in Schedule I to this Agreement; and if to the Company shall be delivered or sent by mail, telex or facsimile transmission to the address of the Company set forth in the Registration Statement: Attention: Secretary; *provided, however*, that any notice to an Underwriter pursuant to Section 7(c) hereof shall be delivered or sent by mail, telex or facsimile transmission to such Underwriter at its address set forth in its Underwriters' Questionnaire, or telex constituting such Questionnaire, which address will be supplied to the Company by the Representatives upon request. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

12. The Company acknowledges and agrees that (a) the purchase and sale of the Designated Securities pursuant to this Agreement, including the determination of the public offering price of the Designated Securities and any related discounts and commissions, is an

arms-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other hand, (b) in connection with the offering contemplated hereby and the process leading to such transaction each Underwriter is and has been acting solely as a principal and is not the agent or fiduciary of the Company, or its stockholders, creditors, employees or any other party, (c) no Underwriter has assumed or will assume an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) and no Underwriter has any obligation to the Company with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement, (d) the Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company, and (e) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company has consulted its own legal, accounting, regulatory and tax advisors to the extent it deemed appropriate.

13. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L.107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

14. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company and, to the extent provided in Sections 7 and 9 hereof, the officers and directors of the Company and each person who controls the Company or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Designated Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

15. Time shall be of the essence of this Agreement. As used herein, "business day" shall mean any day when the Commission's office in Washington, DC is open for business.

16. This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

17. This Agreement may be executed by any one or more of the parties hereto and thereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

18. The Company is authorized, subject to applicable law, to disclose any and all aspects of this potential transaction that are necessary to support any U.S. federal income tax benefits expected to be claimed with respect to such transaction, and all materials of any kind (including tax opinions and other tax analyses) related to those benefits, without the Underwriters imposing any limitation of any kind.

If the foregoing is in accordance with your understanding, please sign and return to us four counterparts hereof, and upon acceptance hereof by you, on behalf of each of the Underwriters, this Agreement shall constitute a binding agreement between each of the Underwriters and the Company. It is understood that your acceptance of this Agreement on behalf of each of the Underwriters is or will be pursuant to the authority set forth in a form of Agreement among Underwriters, the form of which shall be submitted to the Company for examination upon request, but without warranty on the part of the Representatives as to the authority of the signers thereof.

Very truly yours,

Certain United States Federal Income Tax Considerations:*Notes Used as Qualified Replacement Property*

Prospective investors seeking to treat the Notes as “qualified replacement property” for purposes of Section 1042 of the Internal Revenue Code of 1986, as amended (the “Code”), should be aware that Section 1042 requires the issuer to meet certain requirements in order for the Notes to constitute qualified replacement property. In general, qualified replacement property is a security issued by a domestic operating corporation

that did not, for the taxable year preceding the taxable year in which such security was purchased, have “passive investment income” in excess of 25 percent of the gross receipts of such corporation for such preceding taxable year (the “passive income test”). For purposes of the passive income test, where the issuing corporation is in control of one or more corporations or such issuing corporation is controlled by one or more other corporations, all such corporations are treated as one corporation (the “affiliated group”) when computing the amount of passive investment income for purposes of Section 1042.

The Company believes that it qualifies as a domestic operating corporation and that less than 25 percent of its affiliated group’s gross receipts is passive investment income for the taxable year ended December 31, 2016. In making this determination, the Company has made certain assumptions and used procedures which it believes are reasonable. The Company cannot give any assurance as to whether it will continue to qualify as a domestic operating corporation or meet the passive income test. It is, in addition, possible that the Internal Revenue Service may disagree with the manner in which the Company has calculated the affiliated group’s gross receipts (including the characterization thereof) and passive investment income and the conclusions reached in this discussion. Prospective purchasers of the Notes should consult with their own tax advisors with respect to these and other tax matters relating to the Notes.

The Notes are securities with no established trading market. No assurance can be given as to whether a trading market for the Notes will develop or as to the liquidity of a trading market for the Notes. The availability and liquidity of a trading market for the Notes will also be affected by the degree to which purchasers treat the Notes as qualified replacement property.

Note: A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.

Underwriting Agreement

March 30, 2017

**To the Representatives named in Schedule I
of the several Underwriters named in Schedule II**

Ladies and Gentlemen:

United Parcel Service, Inc., a Delaware corporation (the "Company"), proposes, subject to the terms and conditions stated herein, to issue and sell to the firms named in Schedule II hereto (such firm constituting the "Underwriters") certain of its debt securities specified in Schedule III hereto (the "Designated Securities") to be issued under an indenture, dated as of August 26, 2003 (the "Indenture"). The representative or representatives of the Underwriters, if any, specified in Schedule I hereto are hereinafter referred to as the "Representatives."

The Company has filed with the Securities and Exchange Commission (the "Commission") an automatic shelf registration statement on FormS-3 (File No. 333-214056), including the related preliminary prospectus or prospectuses, which registration statement became effective upon filing under Rule 462(e) of the rules and regulations of the Commission under the Securities Act of 1933, as amended (the "Act"). Such registration statement covers the registration of the Designated Securities under the Act. Promptly after the execution and delivery of this Agreement, the Company will prepare and file a prospectus in accordance with the provisions of Rule 430B and Rule 424(b) under the Act. Any information included in such prospectus that was omitted from such registration statement at the time it became effective but that is deemed to be part of and included in such registration statement pursuant to Rule 430B is referred to as "Rule 430B Information." Each prospectus used in connection with the offering of the Designated Securities that omitted Rule 430B Information is herein called a "preliminary prospectus." The term "Registration Statement," as of any time, means the registration statement as amended by any amendment thereto, registering the offer and sale of the Designated Securities, among other securities, in the form then filed by the Company with the Commission, including any document incorporated by reference therein and any prospectus, prospectus supplement and/or pricing supplement deemed or retroactively deemed to be a part thereof at such time that has not been superseded or modified. "Registration Statement" without reference to a time means such registration statement, as amended, as of the Applicable Time (as defined in Section 1(b) herein); for purposes of this definition, information contained in a form of prospectus, prospectus supplement or pricing supplement that is retroactively deemed to be part of such registration statement, as amended, pursuant to Rule 430B or Rule 430C under the Act shall be considered to be included in such registration statement, as amended, as of the time specified in Rule 430B or 430C, as the case may be. The final prospectus in the form first furnished to the Underwriters for use in connection with the

offering of the Designated Securities, including the documents incorporated by reference therein pursuant to Item 12 of Form S-3 under the Act at the time of the execution of this Agreement and any preliminary prospectuses that form a part thereof, is herein called the "Prospectus." For purposes of this Agreement, all references to the Registration Statement, any preliminary prospectus, the Prospectus or any amendment or supplement to any of the foregoing shall be deemed to include the copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system ("EDGAR").

1. The Company represents and warrants to each of the Underwriters as of the date hereof, as of the Applicable Time and as of the Time of Delivery (as defined in Section 3 herein), and agrees with each of the Underwriters, that:

(a) (A) At the earliest time after filing of the Registration Statement, (B) at the time of the most recent amendment thereto for the purposes of complying with Section 10(a)(3) of the Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act") or form of prospectus), (C) at the time the Company or any person acting on its behalf (within the meaning, for this clause only, of Rule 163(c) under the Act) made any offer relating to the Designated Securities in reliance on the exemption of Rule 163 and (D) at the date hereof, the Company was and is a "well-known seasoned issuer" as defined in Rule 405 under the Act, including not having been and not being an "ineligible issuer" as defined in Rule 405; the Registration Statement is an "automatic shelf registration statement," as defined in Rule 405, and the Designated Securities, since their registration on the Registration Statement, have been and remain eligible for registration by the Company on a Rule 405 "automatic shelf registration statement"; the Company has not received from the Commission any notice pursuant to Rule 401(g)(2) under the Act objecting to the use of the automatic shelf registration statement form; and at the earliest time after filing of the Registration Statement, at the earliest time thereafter that the Company or another offering participant made a *bona fide* offer (within the meaning of Rule 164(h)(2) under the Act) of the Designated Securities and at the date hereof, the Company was not and is not an "ineligible issuer," as defined in Rule 405.

(b) The Registration Statement became effective upon filing under Rule 462(e) under the Act on October 11, 2016, and any post-effective amendment thereto also became effective upon filing under Rule 462(e); no stop order suspending the effectiveness of the Registration Statement has been issued under the Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Company, are contemplated by the Commission, and any request on the part of the Commission for additional information has been complied with; and the Company is not the subject of a pending proceeding under Section 8A of the Act in connection with the offering of the Designated Securities.

Any offer that is a written communication relating to the Designated Securities made prior to the filing of the Registration Statement by the Company or any person acting on its behalf (within the meaning, for this paragraph only, of Rule 163(c) under the Act) has been filed with the Commission in accordance with the exemption provided by Rule 163 and otherwise complied with the requirements of Rule 163, including without limitation the legending requirement, to qualify such offer for the exemption from Section 5(c) of the Act provided by Rule 163.

(d) The Registration Statement, as of its effective date or the date of any post-effective amendment thereto, conformed, and the Prospectus as of its issue date conformed, and any further amendments or supplements to the Registration Statement or the Prospectus as of their respective effective or issue dates will conform, in all material respects to the requirements of the Act and the Trust Indenture Act of 1939, as amended (the “Trust Indenture Act”), and the rules and regulations of the Commission

(k) The issue and sale of the Designated Securities and the compliance by the Company with all of the provisions of the Designated Securities, the Indenture and this Agreement, and the consummation of the transactions herein and therein contemplated, will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company is a party that is material to the Company and its subsidiaries taken as a whole, except for such breaches, violations or defaults that would not result in a Material Adverse Change, nor will such action result in any violation of the provisions of the Restated Certificate of Incorporation or By-laws of the Company or any statute or any order, rule or regulation of any court or governmental agency or body having jurisdiction over the Company; and no consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Designated Securities or the consummation by the Company of the transactions contemplated by this Agreement or the Indenture, except (i) where the failure to obtain any such consent, approval, authorization, order, registration or qualification would not result in a Material Adverse Change and (ii) for such consents, approvals, authorizations, orders,

registrations or qualifications that have been, or will have been prior to the Time of Delivery, obtained under the Act and the Trust Indenture Act and or that may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Designated Securities by the Underwriters.

(m) The financial statements included in the Registration Statement, the General Disclosure Package and the Prospectus, together with the related schedules and notes, present fairly the financial position of the Company and its consolidated subsidiaries at the dates indicated and the statement of operations, stockholders' equity and cash flows of the Company and its consolidated subsidiaries for the periods specified; and said financial statements have been prepared in conformity with generally accepted accounting principles ("GAAP") applied on a consistent basis throughout the periods involved; the supporting schedules, if any, present fairly in accordance with GAAP the information required to be stated therein. The interactive data in eXtensible Business Reporting Language ("XBRL") incorporated by reference into the Registration Statement, the General Disclosure Package and the Prospectus present fairly in all material respects the information called for and is prepared in accordance with the Commission's rules and guidelines applicable thereto.

(n) The Company and each of its subsidiaries maintain a system of internal control over financial reporting (as such term is defined in Rule 13a-15(f) of the Exchange Act) that complies with the requirements of the Exchange Act and that has been designed by, or under the supervision of, the Company's principal executive and principal financial officers, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP. The Company and each of its subsidiaries maintain a system of internal accounting controls sufficient to provide reasonable assurances that (i) transactions are executed in accordance with management's general or specific authorization; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and to maintain accountability for assets; (iii) access to assets is permitted only in accordance with management's general or specific authorization; and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. Except as described in the Registration Statement, the General Disclosure Package and the Prospectus, since the end of the Company's most recent audited fiscal year, there has been (1) no material weakness in the Company's internal control over financial reporting (whether or not remediated) and (2) no change in the Company's internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company's internal control over financial reporting.

(o) The Company and its consolidated subsidiaries employ disclosure controls and procedures that are designed to ensure that information required to be disclosed by the Company in the reports that it files or submits under the Exchange Act is recorded,

processed, summarized and reported, within the time periods specified in the Commission's rules and forms, and is accumulated and communicated to the Company's management, including its principal executive officer or officers and principal financial officer or officers, as appropriate, to allow timely decisions regarding disclosure.

2. The several Underwriters propose to offer the Designated Securities for sale upon the terms and conditions set forth in the General Disclosure Package. On the basis of the representations and warranties herein contained and subject to the terms and conditions herein set forth, the Company agrees to sell to each Underwriter, severally and not jointly, and each Underwriter, severally and not jointly, agrees to purchase from the Company, at the price set forth in Schedule III, the aggregate principal amount of Designated Securities set forth in Schedule II opposite the name of such Underwriter, plus any additional principal amount of Designated Securities which such Underwriter may become obligated to purchase pursuant to the provisions of Section 8 hereof.

3. The Designated Securities to be purchased by each Underwriter pursuant to this Agreement, in the form specified herein, and in such authorized denominations and registered in such names as the Representatives may request upon at least 48 hours' prior notice to the Company, shall be delivered by or on behalf of the Company to the Representatives for the account of such Underwriter, against payment by such Underwriter or on its behalf of the purchase price therefor by wire transfer of Federal (same-day) funds to the account specified by the Company to the Representatives at least 48 hours in advance or at such other place and time and date as the Representatives and the Company may agree upon in writing, such time and date being herein called the "Time of Delivery."

4. The Company agrees with each of the Underwriters of the Designated Securities:

(a) The Company will prepare the Prospectus in relation to the Designated Securities in a form reasonably approved by the Representatives and will file such Prospectus in accordance with the provisions of Rule 430B and Rule 424(b) under the Act not later than the Commission's close of business on the second business day following the execution and delivery of this Agreement or, if applicable, such earlier time as may be required by Rule 424(b); the Company will make no further amendment or any supplement to the Registration Statement or the Prospectus as amended or supplemented after the date of this Agreement and prior to the Time of Delivery if the Representatives reasonably disapprove thereof promptly after reasonable notice thereof (*provided, however*, that (i) the Company may make any such further amendment or supplement which, in the opinion of counsel to the Company, is required by law, and (ii) the Company shall only be required to provide the Company's reports to be filed with the Commission pursuant to the Exchange Act to the Representatives on the business day prior to the date on which such filings are to be transmitted for filing with the Commission); the Company will advise the Representatives promptly of any such amendment or supplement after such Time of Delivery and furnish the Representatives with copies thereof; the Company will file promptly all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act subsequent to the date of the Prospectus for so long as the delivery of a prospectus is required in connection with the offering or sale of the Designated Securities; and during such same period the Company will advise the Representatives, promptly after it receives notice thereof, of the time when any amendment to the Registration Statement has been filed or becomes

effective or any amendment or supplement to the Prospectus has been filed with the Commission, of the issuance by the Commission of any stop order or of any order preventing or suspending the use of any prospectus relating to the Designated Securities, of the suspension of the qualification of the Designated Securities for offering or sale in any jurisdiction, of the initiation or threatening of any proceeding for any such purpose or of any examination pursuant to Section 8(e) of the Act concerning the Registration Statement, if the Company becomes the subject of a proceeding under Section 8A of the Act in connection with the offering of the Designated Securities, or of any request by the Commission for the amending or supplementing of the Registration Statement or Prospectus or for additional information; and, in the event of the issuance of any such stop order or of any such order preventing or suspending the use of any prospectus relating to the Designated Securities or suspending any such qualification, the Company will promptly use its best efforts to obtain the withdrawal of such order.

(b) The Company promptly from time to time will take such action as the Representatives may reasonably request to qualify the Designated Securities for offering and sale under the securities laws of such jurisdictions as the Representatives reasonably may request and to comply with such laws so as to permit the continuance of sales and dealings therein in such jurisdictions for as long as may be necessary to complete the distribution of the Designated Securities, provided that in connection therewith the Company shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction.

(c) Unless otherwise agreed to by the Representatives, prior to 3:00 p.m., New York City time, on the business day next succeeding the date of this Agreement and from time to time, the Company will furnish the Underwriters with written and electronic copies of the Prospectus as amended or supplemented in New York City in such quantities as the Representatives may reasonably request, and, if the delivery of a prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Act) is required at any time prior to the expiration of nine months after the issue date of the Prospectus in connection with the offering or sale of the Designated Securities and if at such time any event shall have occurred as a result of which the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such Prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Act) is delivered, not misleading, or, if for any other reason it shall be necessary during such same period to amend or supplement the Registration Statement or the Prospectus, to notify the Representatives and upon their request to file such document and to prepare and furnish without charge to each Underwriter and to any dealer in securities as many written and electronic copies as the Representatives may from time to time reasonably request of an amended Registration Statement or Prospectus or a supplement to the Registration Statement or Prospectus which will correct such statement or omission or effect such compliance.

(d) The Company will make generally available to its securityholders as soon as practicable, but in any event not later than 18 months after the effective date of the Registration Statement (as defined in Rule 158(c) under the Act), an earnings statement of the Company and its subsidiaries (which need not be audited) complying with Section 11(a) of the Act and the rules and regulations of the Commission thereunder (including, at the option of the Company, Rule 158).

(e) During the period beginning from the date hereof and continuing to and including the later of (i) the termination of trading restrictions for such Designated Securities, as notified to the Company by the Representatives and (ii) the Time of Delivery, the Company will not offer, sell, contract to sell or otherwise dispose of any debt securities of the Company which mature more than one year after the Time of Delivery and which are substantially similar to the Designated Securities, without the prior written consent of the Representatives.

(f) The Company shall pay the required Commission filing fees relating to the Designated Securities within the time period required by Rule 456(b)(1)(i) under the Act without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) under the Act, and, if applicable, shall update the "Calculation of Registration Fee" table in accordance with Rule 456(b)(1)(ii) either in a post-effective amendment to the Registration Statement or on the cover page of a prospectus filed pursuant to Rule 424(b).

(g) The Company represents and agrees that, unless it obtains the prior consent of the Representatives, and each Underwriter represents and agrees that, unless it obtains the prior consent of the Company and the Representatives, it has not made and will not make any offer relating to the Designated Securities that would constitute an "issuer free writing prospectus," as defined in Rule 433, or that would otherwise constitute a "free writing prospectus," as defined in Rule 405, required to be filed with the Commission; *provided, however*, that prior to the preparation of the Final Term Sheet in accordance with subsection (h) below, the Underwriters are authorized to use the information with respect to the final terms of the Designated Securities in communications conveying information relating to the offering to investors. Any such free writing prospectus consented to by the Company and the Representatives is hereinafter referred to as a "Permitted Free Writing Prospectus." The Company represents that it has treated or agrees that it will treat each Permitted Free Writing Prospectus as an "issuer free writing prospectus," as defined in Rule 433, and has complied and will comply with the requirements of Rule 433 applicable to any Permitted Free Writing Prospectus, including timely filing with the Commission where required, legending and record keeping.

(h) The Company will prepare a final term sheet containing only a description of the Designated Securities, in a form attached hereto as Schedule IV and approved by the Representatives, and will file such term sheet pursuant to Rule 433(d) within the time required by such rule (such term sheet, the "Final Term Sheet"); the Final Term Sheet is an Issuer General Use Free Writing Prospectus for purposes of this Agreement.

5. The Company covenants and agrees with the several Underwriters that the Company will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company's counsel and accountants in connection with the registration of the Designated Securities under the Act and all other expenses in connection with the preparation, printing and filing of the Registration Statement, the Statutory Prospectus, any General Use Issuer Free Writing Prospectus and the Prospectus and amendments and supplements thereto and the mailing and delivering of copies thereof to the Underwriters and dealers; (ii) the cost of printing

or producing any Agreement among Underwriters, this Agreement, any Indenture, closing documents (including any compilations thereof) and any other documents in connection with the offering, purchase, sale and delivery of the Designated Securities; (iii) all expenses in connection with the qualification of the Designated Securities for offering and sale under state securities laws as provided in Section 4(b) hereof, including the fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with any Blue Sky survey and the preparation of any Blue Sky Memorandum; (iv) any fees charged by securities rating services for rating the Designated Securities; (v) any filing fees incident to, and the reasonable fees and disbursements of counsel for the Underwriters in connection with, any required review by the Financial Industry Regulatory Authority of the terms of the sale of the Designated Securities; (vi) the cost of preparing the Designated Securities; (vii) the fees and expenses of any Trustee and any agent of any Trustee and the reasonable fees and disbursements of counsel for any Trustee in connection with any Indenture and the Designated Securities; (viii) the costs and expenses of the Company relating to investor presentations on any "road show" undertaken in connection with the marketing of the Designated Securities, including without limitation, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations, travel and lodging expenses of the representatives and officers of the Company and any such consultants, and the cost of aircraft and other transportation chartered in connection with the road show; and (ix) all other costs and expenses incident to the performance of its obligations hereunder which are not otherwise specifically provided for in this Section 5. It is understood, however, that, except as provided in this Section 5, and Sections 7 and 10 hereof, the Underwriters will pay all of their own costs and expenses, including the fees and expenses of their counsel, transfer taxes on resale of any of the Designated Securities by them, and any advertising or roadshow expenses connected with any offers they may make.

6. The obligations of the Underwriters under this Agreement shall be subject, in the discretion of the Representatives, to the condition that all representations and warranties and other statements of the Company in this Agreement are, at and as of the Time of Delivery, true and correct, the condition that the Company shall have performed all of its obligations hereunder theretofore to be performed, and the following additional conditions:

(a) The Statutory Prospectus and the Prospectus as amended or supplemented shall each have been filed with the Commission pursuant to Rule 424(b) within the applicable time period prescribed for such filing by the rules and regulations under the Act, without reliance on Rule 424(b)(8), and in accordance with Section 4(a) hereof; no stop order suspending the effectiveness of the Registration Statement shall have been issued and no proceeding for that purpose shall have been initiated or threatened by the Commission; and all requests for additional information on the part of the Commission shall have been complied with to the Representatives' reasonable satisfaction.

(b) Counsel for the Underwriters shall have furnished to the Representatives such written opinion or opinions, dated the Time of Delivery, with respect to the valid existence of the Company, the validity of the Designated Securities, the Registration Statement, the General Disclosure Package, the Prospectus and such other related matters as the Representatives may reasonably request, and such counsel shall have received such papers and information as they may reasonably request to enable them to pass upon such matters.

(c) The Company shall have paid the required Commission filing fees relating to the Designated Securities within the time period required by Rule 456(b)(1)(i) under the Act without

regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) under the Act, and, if applicable, shall have updated the "Calculation of Registration Fee" table in accordance with Rule 456(b)(1)(ii) either in a post-effective amendment to the Registration Statement or on the cover page of a prospectus filed pursuant to Rule 424(b).

(d) King & Spalding LLP, special counsel for the Company, shall have furnished to the Representatives their written opinion, dated the Time of Delivery, in form and substance reasonably satisfactory to the Representatives, to the effect that:

(i) The Company is a corporation validly existing and in good standing under the laws of the State of Delaware with the corporate power and authority under such laws to own its properties and conduct its business as described in the General Disclosure Package and the Prospectus.

(ii) The Indenture has been duly authorized, executed and delivered by the Company; the Indenture constitutes a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms, subject, as to enforcement of remedies, to bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights and remedies of creditors generally and to the effect of general principles of equity. The Indenture has been duly qualified under the Trust Indenture Act.

(iii) The Designated Securities have been duly authorized and, when executed, authenticated, issued and delivered in the manner provided for in the Indenture against payment therefor as provided in this Agreement, will (A) constitute valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, subject, as to enforcement of remedies, to bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights and remedies of creditors generally and to the effect of general principles of equity and (B) be entitled to the benefits of the Indenture. The Designated Securities and the Indenture conform or will conform, as applicable, in all material respects to the descriptions thereof in the General Disclosure Package and the Prospectus.

(iv) The execution, delivery and performance of the Indenture and this Agreement by the Company, the issuance and sale of the Designated Securities by the Company and the consummation of the transactions contemplated herein and therein by the Company (a) do not and will not result in any violation of the certificate of incorporation or bylaws of the Company and (b) do not and will not result in a breach or violation by the Company of any of the terms and provisions of, or constitute a default by the Company under, any agreement or other instrument binding upon the Company or any Significant Subsidiary filed or incorporated by reference as an exhibit to the Registration Statement or the documents incorporated by reference therein. The Company has the corporate power and authority to issue and sell the Designated Securities as contemplated by this Agreement.

(v) The execution, delivery and performance of the Indenture, this Agreement and the issuance and sale of the Designated Securities by the Company and the consummation of the transactions contemplated herein and therein by the Company do not and will not result in a violation of any existing material law, rule or regulation applicable to the Company.

(vi) No consent, approval, authorization or order of, or filing with, any governmental agency or body or any court is required to be obtained by the Company for the issuance, sale and delivery of the Designated Securities by the Company or for the consummation by the Company of the transactions contemplated by this Agreement, except such as have been obtained and made under the Act and the Trust Indenture Act and such as may be required under state securities laws.

(vii) This Agreement has been duly authorized, executed and delivered by the Company.

(viii) The Registration Statement has become effective under the Act, and, to the knowledge of such counsel, no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been instituted or are pending under the Act; and the Registration Statement, as of its effective date, and the Prospectus, as amended or supplemented as of its issue date and the Time of Delivery, complied as to form in all material respects with the requirements of the Act, the Trust Indenture Act and the Rules and Regulations (in each case other than the financial statements and notes thereto, the financial statement schedules and other financial data and Form T-1 included or incorporated by reference therein).

(ix) The Company is not required, and upon the issuance and sale of the Designated Securities as herein contemplated and the application of the net proceeds therefrom as described in the Prospectus will not be required, to register as an "investment company" under the 1940 Act.

(x) Each document filed pursuant to the Exchange Act, and incorporated by reference in the Prospectus, when such document was filed with the Commission, complied as to form in all material respects with the Exchange Act and the rules and regulations thereunder (in each case other than the financial statements and notes thereto, the financial statement schedules and other financial data included or incorporated by reference therein).

In addition, such counsel shall state that, in its capacity as counsel for the Company, it has rendered legal advice and assistance in connection with the Company's preparation of the Registration Statement, the General Disclosure Package and the Prospectus. Rendering such assistance included, among other things, discussions and inquiries concerning various legal matters, the review of certain documents, and participating in conferences with officers and other representatives of the Company, representatives of the Company's independent auditors and representatives of the Underwriters and their counsel during which the contents of the Registration Statement, the General Disclosure Package and the Prospectus and related matters were discussed and reviewed. Such counsel shall state that although it is not passing upon and does not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Registration Statement, the General Disclosure Package or the Prospectus as amended or supplemented, except as set forth in subsection (d)(iii) above, on the basis of the information that was developed in the course of the

performance of the services referred to above, nothing has come to its attention that causes it to believe that (a) any part of the Registration Statement, when such part became effective, contained an untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein not misleading (b) that the General Disclosure Package, as of the Applicable Time, contained an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, or (c) the Prospectus or any further amendment or supplement thereto made by the Company, as of the issue date thereof and as of the Time of Delivery, contained or contains any untrue statement of a material fact or omitted or omits to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; except that, with respect to clauses (a), (b) and (c), such counsel does not express a belief with respect to the financial statements and notes thereto and the financial statement schedules and other financial data included or incorporated by reference therein or omitted therefrom, and with respect to clause (a), such counsel does not express a belief with respect to the Form T-1.

(e) A representative of the Legal Department of the Company satisfactory to the Representatives shall have furnished to the Representatives his or her written opinion, dated the Time of Delivery, in form and substance reasonably satisfactory to the Representatives, to the effect that:

(i) The Company is duly qualified to do business as a foreign corporation in good standing in each jurisdiction in which it owns or leases material properties or in which the conduct of its business requires such qualification and in which the failure to be so qualified would result in a Material Adverse Change.

(ii) Each subsidiary of the Company that is a "significant subsidiary," as defined in Rule 1-02(w) of Regulation S-X under the Act (each a "Significant Subsidiary"), has been duly incorporated, is validly existing as a corporation in good standing under the laws of the jurisdiction of its incorporation, has the corporate power and authority to own its property and to conduct its business as described in the General Disclosure Package and the Prospectus and is duly qualified to transact business as a foreign corporation and is in good standing in each jurisdiction in which it owns or leases substantial properties or in which the conduct of its business requires such qualification, except to the extent that the failure to be so qualified or be in good standing would not result in a Material Adverse Change.

(iii) The statements in (a) the documents incorporated by reference into the General Disclosure Package or the Prospectus under the captions "Government Regulation" and "Legal Proceedings" in the Company's most recently filed Annual Report on Form 10-K and Part II, Item 1 of the Company's subsequently filed Quarterly Reports on Form 10-Q, if any (or comparable paragraphs under the caption "Liquidity and Capital Resources" in Part I, Item 2 of such Quarterly Reports or Form 10-Q, as the case may be), and (b) the Registration Statement under Item 15, insofar as such statements purport to constitute summaries of the documents (or provisions thereof), statutes (or provisions thereof) or legal proceedings referred to therein, fairly present the information required to be

described with respect to such documents (or provisions thereof), statutes (or provisions thereof) or legal proceedings and accurately summarize in all material respects such documents (or provisions thereof), statutes (or provisions thereof) or legal proceedings.

(iv) To the knowledge of such counsel, (a) there are no legal or governmental proceedings pending or threatened to which the Company or any Significant Subsidiary is a party, or to which any of the properties of the Company or any Significant Subsidiary is subject, that are required to be described in the Registration Statement, the General Disclosure Package or the Prospectus and are not so described, and (b) there are no statutes, regulations or contracts that are required to be described in the Registration Statement, the General Disclosure Package or the Prospectus or to be filed as exhibits to the Registration Statement that are not described or filed as required.

(v) The execution, delivery and performance of the Indenture, this Agreement and the issuance and sale of the Designated Securities by the Company and the consummation of the transactions contemplated herein and therein by the Company do not and will not result in a violation of any material judgment, order, writ, injunction or decree known to such counsel of any governmental authority or court having jurisdiction over the Company.

(f) As of the date hereof, the Representatives shall have received from Deloitte & Touche LLP a letter dated such date, in form and substance satisfactory to the Representatives, together with signed or reproduced copies of such letter for each of the other Underwriters containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and certain financial information contained in the Registration Statement and the Prospectus.

At the Time of Delivery, the Representatives shall have received from Deloitte & Touche LLP a letter, dated as of the Time of Delivery, to the effect that they reaffirm the statements made in the letter furnished pursuant to the first paragraph of this subsection (f), except that the specified date referred to shall be a date not more than three business days prior to the Time of Delivery.

(g) Since the execution and delivery of this Agreement, neither the Company nor any of its subsidiaries shall have sustained any loss or interference with its business from any calamity, labor dispute or court or governmental action, order or decree, other than as set forth in or contemplated by the Registration Statement, the General Disclosure Package and the Prospectus (exclusive of any amendments or supplements thereto subsequent to the date of this Agreement), and there shall not have been any change in the capital stock (other than changes due to (i) repurchases of common stock of the Company pursuant to previously announced stock repurchase programs, (ii) issuances or other transfers of capital stock in the ordinary course of business pursuant to the Company's employee benefit plans and (iii) conversions of shares of the Company's class A common stock into shares of the Company's class B common stock) or a material increase in the long-term debt of the Company and its subsidiaries taken as a whole or any change, or any development reasonably likely to result in a change, in or affecting the business, financial condition, stockholders' equity or results of operations of the Company and its subsidiaries, otherwise than as set forth or contemplated in the General Disclosure Package or the Prospectus (exclusive of any amendments or

supplements thereto subsequent to the date of this Agreement) reviewed by the Representatives at the time of execution and delivery of this Agreement, the effect of which in any such case is in your judgment so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated in the General Disclosure Package.

(h) On or after the date of this Agreement (i) no downgrading shall have occurred in the rating accorded the Company's debt securities or preferred stock by any "nationally recognized statistical rating organization" registered with the SEC pursuant to Section 15E of the Exchange Act, and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company's debt securities or preferred stock.

(i) On or after the date of this Agreement there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the New York Stock Exchange; (ii) a suspension or material limitation in trading in the Company's securities on the New York Stock Exchange; (iii) a general moratorium on commercial banking activities declared by either Federal or New York State authorities or a material disruption in commercial banking or securities settlement or clearance services in the United States; (iv) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war or (v) the occurrence of any other calamity or crisis or any material adverse change in financial, political or economic conditions in the United States or elsewhere, if the effect of any such event specified in clause (iv) or (v) in the judgment of the Representatives makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated in the General Disclosure Package.

(j) The Company shall have complied with the provisions of Section 4(c) hereof.

(k) The Company shall have furnished or caused to be furnished to the Representatives at the Time of Delivery a certificate or certificates of officers of the Company satisfactory to the Representatives as to the accuracy of the representations and warranties of the Company herein at and as of the Time of Delivery, as to the performance by the Company of all of its obligations hereunder to be performed at or prior to the Time of Delivery, as to the matters set forth in subsections (a) and (h) of this Section 6 and as to such other matters as the Representatives may reasonably request.

7. (a) The Company will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, the Statutory Prospectus, the Prospectus, or any amendment or supplement thereto, or the General Disclosure Package or any Issuer Free Writing Prospectus, or any amendment or supplement thereto or any related preliminary prospectus, relating to the Designated Securities, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; *provided, however*, that the Company shall not be liable in any such case to the extent that any such loss,

claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any of such documents in reliance upon and in conformity with written information furnished to the Company by any Underwriter of Designated Securities through the Representatives expressly for use therein relating to the Designated Securities.

(b) Each Underwriter will indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or otherwise, described in the indemnity contained in subsection (a) of this Section 7, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in the Registration Statement, the Statutory Prospectus or the Prospectus, or any amendment or supplement thereto or any related preliminary prospectus, including any pricing supplement, relating to the Designated Securities, or any amendment or supplement thereto, in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use therein; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection.

In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party (who shall not, except with the consent of the indemnified party, be counsel to the indemnifying party), and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. The indemnified party or parties shall have the right to employ its or their own counsel in any such case, but the fees and expenses of such counsel shall be at the expense of such indemnified party or parties unless the employment of such counsel shall have been authorized in writing by the indemnifying party in connection with the defense of such proceeding or the indemnifying party shall not have, within a reasonable period of time in light of the circumstances, employed counsel to defend such proceeding or such indemnified party or parties shall have reasonably concluded that there may be defenses available to it or them which are different from, additional to or in conflict with those available to such indemnifying party (in which case such indemnifying party shall not have the right to direct the defense of such proceeding on behalf of the indemnified party or parties), in any of which events such fees and expenses shall be borne by such indemnifying party and paid as incurred (it being understood, however, that such indemnifying party shall not be liable for the expenses of more than one separate counsel (in addition to any local counsel) in any one proceeding or series of related proceedings in the same jurisdiction representing the indemnified parties who are parties to such proceeding).

No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 7 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other from the offering of the Designated Securities to which such loss, claim, damage or liability (or action in respect thereof) relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters of the Designated Securities on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and such Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from such offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by such Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or such Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by *pro rata* allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the applicable Designated Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act)

shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The obligations of the Underwriters of Designated Securities in this subsection (d) to contribute are several in proportion to their respective underwriting obligations with respect to the Designated Securities and not joint.

(e) The obligations of the Company under this Section 7 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Act; and the obligations of the Underwriters under this Section 7 shall be several in proportion to their respective underwriting obligations with respect to the Designated Securities and not joint and in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company and to each person, if any, who controls the Company within the meaning of the Act.

8. (a) If any Underwriter shall default in its obligation to purchase the Designated Securities which it has agreed to purchase under this Agreement, the Representatives may in their discretion arrange for themselves or another party or other parties to purchase such Designated Securities on the terms contained herein. If within 36 hours after such default by any Underwriter the Representatives do not arrange for the purchase of such Designated Securities, then the Company shall be entitled to a further period of 36 hours within which to procure another party or other parties satisfactory to the Representatives to purchase such Designated Securities on such terms. In the event that, within the respective prescribed period, the Representatives notify the Company that they have so arranged for the purchase of such Designated Securities, or the Company notifies the Representatives that it has so arranged for the purchase of such Designated Securities, the Representatives or the Company shall have the right to postpone the Time of Delivery for such Designated Securities for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement, the Statutory Prospectus or the Prospectus as amended or supplemented, or in any other documents or arrangements, and the Company agrees to file promptly any amendments or supplements to the Registration Statement, the Statutory Prospectus or the Prospectus which in the opinion of the Representatives may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any person substituted under this Section 8 with like effect as if such person had originally been a party to this Agreement.

(b) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in subsection (a) above, the aggregate principal amount of such Designated Securities which remains unpurchased does not exceed one-eleventh of the aggregate principal amount of the Designated Securities, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Designated Securities which such Underwriter agreed to purchase pursuant to this Agreement and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the principal amount of Designated Securities which such Underwriter agreed to purchase pursuant to this Agreement) of the Designated Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company

as provided in subsection (a) above, the aggregate principal amount of Designated Securities which remains unpurchased exceeds one-eleventh of the aggregate principal amount of the Designated Securities, as referred to in subsection (b) above, or if the Company shall not exercise the right described in subsection (b) above to require non-defaulting Underwriters to purchase Designated Securities of a defaulting Underwriter or Underwriters, then this Agreement relating to such Designated Securities shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Company, except for the expenses to be borne by the Company and the Underwriters as provided in Section 5 hereof and the indemnity and contribution agreements in Section 7 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

9. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company, or any officer or director or controlling person of the Company, and shall survive delivery of and payment for the Designated Securities.

10. If this Agreement shall be terminated pursuant to Section 8 hereof, the Company shall not then be under any liability to any Underwriter with respect to the Designated Securities except as provided in Sections 5 and 7 hereof; but, if for any other reason Designated Securities are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Underwriters through the Representatives for all out-of-pocket expenses approved in writing by the Representatives, including the reasonable fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of such Designated Securities, but the Company shall then be under no further liability to any Underwriter with respect to such Designated Securities except as provided in Sections 5 and 7 hereof.

11. In all dealings hereunder, the Representatives of the Underwriters of Designated Securities shall act on behalf of each of such Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by such Representatives jointly or by such of the Representatives, if any, as may be designated for such purpose in Schedule I to this Agreement.

All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to the address of the Representatives as set forth in Schedule I to this Agreement; and if to the Company shall be delivered or sent by mail, telex or facsimile transmission to the address of the Company set forth in the Registration Statement: Attention: Secretary; *provided, however*, that any notice to an Underwriter pursuant to Section 7(c) hereof shall be delivered or sent by mail, telex or facsimile transmission to such Underwriter at its address set forth in its Underwriters' Questionnaire, or telex constituting such Questionnaire, which address will be supplied to the Company by the Representatives upon request. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

12. The Company acknowledges and agrees that (a) the purchase and sale of the Designated Securities pursuant to this Agreement, including the determination of the public offering price of the Designated Securities and any related discounts and commissions, is an

arms-length commercial transaction between the Company, on the one hand, and the several Underwriters, on the other hand, (b) in connection with the offering contemplated hereby and the process leading to such transaction each Underwriter is and has been acting solely as a principal and is not the agent or fiduciary of the Company, or its stockholders, creditors, employees or any other party, (c) no Underwriter has assumed or will assume an advisory or fiduciary responsibility in favor of the Company with respect to the offering contemplated hereby or the process leading thereto (irrespective of whether such Underwriter has advised or is currently advising the Company on other matters) and no Underwriter has any obligation to the Company with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement, (d) the Underwriters and their respective affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Company, and (e) the Underwriters have not provided any legal, accounting, regulatory or tax advice with respect to the offering contemplated hereby and the Company has consulted its own legal, accounting, regulatory and tax advisors to the extent it deemed appropriate.

13. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L.107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

14. This Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company and, to the extent provided in Sections 7 and 9 hereof, the officers and directors of the Company and each person who controls the Company or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement. No purchaser of any of the Designated Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

15. Time shall be of the essence of this Agreement. As used herein, "business day" shall mean any day when the Commission's office in Washington, DC is open for business.

16. This Agreement shall be governed by and construed in accordance with the laws of the State of New York.

17. This Agreement may be executed by any one or more of the parties hereto and thereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

18. The Company is authorized, subject to applicable law, to disclose any and all aspects of this potential transaction that are necessary to support any U.S. federal income tax benefits expected to be claimed with respect to such transaction, and all materials of any kind (including tax opinions and other tax analyses) related to those benefits, without the Underwriters imposing any limitation of any kind.

[Signature page follows]

If the foregoing is in accordance with your understanding, please sign and return to us four counterparts hereof, and upon acceptance hereof by you, on behalf of each of the Underwriters, this Agreement shall constitute a binding agreement between each of the Underwriters and the Company. It is understood that your acceptance of this Agreement on behalf of each of the Underwriters is or will be pursuant to the authority set forth in a form of Agreement among Underwriters, the form of which shall be submitted to the Company for examination upon request, but without warranty on the part of the Representatives as to the authority of the signers thereof.

Certain United States Federal Income Tax Considerations:*Notes Used as Qualified Replacement Property*

Prospective investors seeking to treat the Notes as “qualified replacement property” for purposes of Section 1042 of the Internal Revenue Code of 1986, as amended (the “Code”), should be aware that Section 1042 requires the issuer to meet certain requirements in order for the Notes to constitute qualified replacement property. In general, qualified replacement property is a security issued by a domestic operating corporation

that did not, for the taxable year preceding the taxable year in which such security was purchased, have “passive investment income” in excess of 25 percent of the gross receipts of such corporation for such preceding taxable year (the “passive income test”). For purposes of the passive income test, where the issuing corporation is in control of one or more corporations or such issuing corporation is controlled by one or more other corporations, all such corporations are treated as one corporation (the “affiliated group”) when computing the amount of passive investment income for purposes of Section 1042.

The Company believes that it qualifies as a domestic operating corporation and that less than 25 percent of its affiliated group’s gross receipts is passive investment income for the taxable year ended December 31, 2016. In making this determination, the Company has made certain assumptions and used procedures which it believes are reasonable. The Company cannot give any assurance as to whether it will continue to qualify as a domestic operating corporation or meet the passive income test. It is, in addition, possible that the Internal Revenue Service may disagree with the manner in which the Company has calculated the affiliated group’s gross receipts (including the characterization thereof) and passive investment income and the conclusions reached in this discussion. Prospective purchasers of the Notes should consult with their own tax advisors with respect to these and other tax matters relating to the Notes.

The Notes are securities with no established trading market. No assurance can be given as to whether a trading market for the Notes will develop or as to the liquidity of a trading market for the Notes. The availability and liquidity of a trading market for the Notes will also be affected by the degree to which purchasers treat the Notes as qualified replacement property.

Note: A securities rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time.

Floating Rate Senior Notes due 2067

United Parcel Service, Inc., a corporation duly organized and existing under the laws of Delaware (herein called the “Company”, which term includes any successor Person under the Indenture hereinafter referred to), for value received, hereby promises to pay to Cede & Co., or registered assigns, the principal sum of [●] Dollars (\$[●]), or such other principal amount as may be set forth in the records of the Securities Registrar hereinafter referred to in accordance with the Indenture, on March 15, 2067 and to pay interest thereon from the original issue date or from the most recent date to which interest has been paid or duly provided for, on March 15, June 15, September 15 and December 15 of each year and on any maturity date (each, an “Interest Payment Date”), commencing June 15, 2017 and ending on the maturity date. Interest on the Securities will be computed on the basis of the actual number of days elapsed over a 360-day year. The interest so payable and punctually paid or duly provided for on any Interest Payment Date will, as provided in such Indenture, be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest, which shall be the March 1, June 1, September 1 or December 1, as applicable (in each case, whether or not a Business Day), as the case may be, next preceding such Interest Payment Date; provided, however, that interest payable on any maturity date shall be payable to the Person to whom the principal of this Security shall be payable. Any such interest not so punctually paid or duly provided for shall forthwith cease to be payable to the Holder on such Regular Record Date and may either be paid to the Person in whose name this Security (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Defaulted Interest to be set by the Trustee, notice whereof shall be given to Holders of Securities of this series not less than 10 days prior to such Special Record Date, or be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Securities of this series may be listed, and upon such notice as may be required by such exchange, all as more fully provided in said Indenture.

Interest payable on any Interest Payment Date or maturity date shall be the amount of interest accrued from, and including, the immediately preceding Interest Payment Date in respect of which interest has been paid or duly provided for (or from and including the original issue date, if no interest has been paid or duly provided for with respect to the Securities) to, but excluding, such Interest Payment Date or maturity date, as the case may be. If any Interest Payment Date (other than the maturity date) is not a Business Day at the relevant place of payment, the Company will pay interest on the next day that is a Business Day at such place of payment as if payment were made on the date such payment was due, except that if such Business Day is in the immediately succeeding calendar month, such Interest Payment Date (other than the maturity date) shall be the immediately preceding Business Day. If the maturity date of the Securities is not a Business Day at the relevant place of payment, the Company will

pay interest, if any, and principal and premium, if any, on the next day that is a Business Day at such place of payment as if payment were made on the date such payment was due, and no interest will accrue on the amounts so payable for the period from and after such date to the immediately succeeding Business Day.

“Business Day” means any day (1) that is not a Saturday or Sunday and that is not a day on which banking institutions are authorized or obligated by law or executive order to close in The City of New York and, for any place of payment outside of The City of New York, in such place of payment, and (2) that is also a “London business day”, which is a day on which dealings in deposits in U.S. dollars are transacted in the London interbank market.

The term “maturity,” when used with respect to a Security, means the date on which the principal of such Security or an installment of principal becomes due and payable as therein provided or as provided in the indenture, whether at the stated maturity or by declaration of acceleration, call for redemption, repayment or otherwise.

The interest rate on the Securities will be reset quarterly on March 15, June 15, September 15 and December 15 of each year, as applicable, commencing June 15, 2017 (each, an “Interest Reset Date”). The Securities will bear interest at a per annum rate equal to three-month LIBOR (as defined below) for the applicable Interest Reset Period or Initial Interest Period (each as defined below) minus 0.30% (30 basis points); provided, that the rate shall not be less than 0.00%. The interest rate for the Initial Interest Period will be three-month LIBOR, determined as of two London business days prior to the original issue date, minus 0.30% per annum. The “Initial Interest Period” will be the period from and including the original issue date to but excluding the initial Interest Reset Date. Thereafter, each “Interest Reset Period” will be the period from and including an Interest Reset Date to but excluding the immediately succeeding Interest Reset Date; *provided* that the final Interest Reset Period for the Securities will be the period from and including the Interest Reset Date immediately preceding the maturity date of such Securities to but excluding the maturity date.

If any Interest Reset Date would otherwise be a day that is not a Business Day, the Interest Reset Date will be postponed to the immediately succeeding day that is a Business Day, except that if that Business Day is in the immediately succeeding calendar month, the Interest Reset Date shall be the immediately preceding Business Day.

The interest rate in effect on each day will be (i) if that day is an Interest Reset Date, the interest rate determined as of the Interest Determination Date (as defined below) immediately preceding such Interest Reset Date or (ii) if that day is not an Interest Reset Date, the interest rate determined as of the Interest Determination Date immediately preceding the most recent Interest Reset Date or the original issue date, as the case may be.

The interest rate applicable to each Interest Reset Period commencing on the related Interest Reset Date, or the original issue date in the case of the Initial Interest Period, will be the rate determined as of the applicable Interest Determination Date. The “Interest Determination Date” will be the second London business day immediately preceding the original issue date, in the case of the initial Interest Reset Period, or thereafter the applicable Interest Reset Date.

The Bank of New York Mellon Trust Company, N.A., or its successor appointed by the Company, will act as calculation agent. Three-month LIBOR will be determined by the calculation agent as of the applicable Interest Determination Date in accordance with the following provisions:

(i) With respect to an Interest Determination Date, LIBOR will be the rate for deposits in U.S. dollars having a maturity of three months commencing on the Interest Reset Date that appears on the designated LIBOR page as of approximately 11:00 a.m., London time, on that Interest Determination Date. If no rate appears, LIBOR, in respect of that Interest Determination Date, will be determined as follows: the calculation agent shall request the principal London offices of each of four major reference banks in the London interbank market, as selected and identified by the Company to provide the calculation agent with its offered quotation for deposits in U.S. dollars for the period of three months, commencing on the Interest Reset Date, to prime banks in the London interbank market at approximately 11:00 a.m., London time, on that Interest Determination Date and in a principal amount that is representative for a single transaction in U.S. dollars in that market at that time. If at least two quotations are provided, then LIBOR on that Interest Determination Date will be the arithmetic mean of those quotations. If fewer than two quotations are provided, then LIBOR on the Interest Determination Date will be the arithmetic mean of the rates quoted at approximately 11:00 a.m., New York City time, on the Interest Determination Date by three major banks in The City of New York selected and identified by the Company for loans in U.S. dollars to leading European banks, having a three-month maturity and in a principal amount that is representative for a single transaction in U.S. dollars in that market at that time; provided, however, that if the banks selected and identified by the Company are not providing quotations in the manner described by this sentence, LIBOR for such Interest Determination Date will be LIBOR determined with respect to the immediately preceding Interest Determination Date.

(ii) The designated LIBOR page is the Reuters screen "LIBOR01", or any successor service for the purpose of displaying the London interbank rates of major banks for U.S. dollars. The Reuters screen "LIBOR01" is the display designated as the Reuters screen "LIBOR01", or such other page as may replace the Reuters screen "LIBOR01" on that service or such other service or services as may be nominated for the purpose of displaying London interbank offered rates for U.S. dollar deposits by ICE Benchmark Administration Limited ("IBA") or its successor or such other entity assuming the responsibility of IBA or its successor in calculating the London Interbank Offered Rate in the event IBA or its successor no longer does so.

All percentages resulting from any calculation of any interest rate for the Securities will be rounded, if necessary, to the nearest one hundred thousandth of a percentage point, with five one-millionths of a percentage point rounded upward (e.g., 9.876545% (or .09876545) would be rounded to 9.87655% (or .0987655)), and all dollar amounts will be rounded to the nearest cent, with one-half cent being rounded upward. Any percentage resulting from any calculation of any interest rate for the Securities less than 0.00% will be deemed to be 0.00% (or .000).

Promptly upon such determination, the calculation agent will notify the Company and the Trustee (if the calculation agent is not the Trustee) of the interest rate for the new Interest Reset Period. Upon request of a Holder of the Securities, the calculation agent will provide to such Holder the interest rate in effect on the date of such request and, if determined, the interest rate for the next Interest Reset Period.

All calculations made by the calculation agent for the purposes of calculating interest on the Securities shall be conclusive and binding on the Holders and the Company, absent manifest errors.

Delivery of the Maturity Consideration and payment of interest on this Security will be made at the office or agency of the Company maintained for that purpose in the Borough of Manhattan, The City of New York, and payment of interest on this Security and the Maturity Consideration will be made in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts; provided, however, that at the option of the Company, payment of interest may be made by check mailed to the address of the Person entitled thereto as such address shall appear in the Security Register.

Reference is hereby made to the further provisions of this Security set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless the certificate of authentication hereon has been executed by the Trustee referred to on the reverse hereof by manual signature, this Security shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

IN WITNESS WHEREOF, the Company has caused this instrument to be duly executed.

and on March 15 of every second year thereafter at 100% of the principal amount, through and including March 15, 2064, in each case, together with any accrued and unpaid interest to the redemption date (subject to the rights of Holders of record on relevant Regular Record Dates to receive interest due on an Interest Payment Date).

In order for a Security to be repaid, the paying agent must receive, at least 30 but not more than 60 calendar days before the optional repayment date, (1) the Security with the form

entitled "Option to Elect Repayment" on the reverse of the Security duly completed or (2) a telegram, facsimile transmission or a letter from a member of a national securities exchange or a member of the Financial Industry Regulatory Authority, Inc. or a commercial bank or trust company in the United States which must set forth:

- (i) the name of the Holder of the Security;
- (ii) the principal amount of the Security;
- (iii) the principal amount of the Security to be repaid;
- (iv) the certificate number or a description of the tenor and terms of the Security;
- (v) a statement that the option to elect repayment is being exercised; and
- (vi) a guarantee that the Security is to be repaid.

These items, together with the duly completed form entitled "Option to Elect Repayment" on the reverse of the Security, must be received by the paying agent not later than the fifth Business Day after the date of that telegram, facsimile transmission or letter. The repayment option may be exercised by the Holder of a Security for less than the entire principal amount of the Security but, in that event, the principal amount of the Security remaining outstanding after repayment must be in an authorized denomination.

If a Tax Event occurs, the Company may shorten the maturity of the Securities, without the consent of the Holders, to the minimum extent required, in the opinion of nationally recognized independent tax counsel, so that, after shortening the maturity, interest paid on the Securities will be deductible for United States Federal income tax purposes or, if that counsel cannot opine definitively as to such a minimum period, the minimum extent so required to maintain the Company's interest deduction to the extent deductible under current law as determined in good faith by the Board of Directors, after receipt of an opinion of counsel regarding the applicable legal standards. In that case, the amount payable on those Securities on that new maturity date will be equal to 100% of the principal amount of those Securities plus interest accrued on those Securities to the date those Securities mature on that new maturity date. If the Company elects to exercise its right to shorten the maturity of the Securities when a Tax Event occurs, the Company will mail a notice to each Holder by first-class mail not more than 60 days after the occurrence of the Tax Event, stating the new maturity date of the Securities. This notice shall be effective immediately upon mailing.

"Tax Event" means that the Company shall have received an opinion of nationally recognized independent tax counsel to the effect that, as a result of:

- (i) any amendment to, clarification of, or change (including any announced prospective amendment, clarification or change) in any law, or any regulation thereunder, of the United States;
- (ii) any judicial decision, official administrative pronouncement, ruling, regulatory

procedure, regulation, notice or announcement, including any notice or announcement of intent to adopt or promulgate any ruling, regulatory procedure or regulation (any of the foregoing, an “administrative or judicial action”); or

- (iii) any amendment to, clarification of, or change in any official position with respect to, or any interpretation of, an administrative or judicial action or a law or regulation of the United States that differs from the previously generally accepted position or interpretation,

in each case, occurring on or after March 31, 2017, there is more than an insubstantial increase in the risk that interest paid by the Company on the Securities is not, or will not be, deductible, in whole or in part, by the Company for United States Federal income tax purposes.

The Company will not create, assume, incur or guarantee, and will not permit any Restricted Subsidiary to create, assume, incur or guarantee, any Secured Indebtedness without making provision whereby this Security shall be secured equally and ratably with, or prior to, such Secured Indebtedness, together with, if the Company shall so determine, any other Indebtedness of the Company or any Restricted Subsidiary then existing or thereafter created that is not subordinate to this Security, so long as the Secured Indebtedness shall be outstanding, unless such Secured Indebtedness, when added to (a) the aggregate amount of all Secured Indebtedness then outstanding (not including in this computation Secured Indebtedness if this Security is secured equally and ratably with (or prior to) such Secured Indebtedness and further not including in this computation any Secured Indebtedness that is concurrently being retired) and (b) the aggregate amount of all Attributable Debt then outstanding pursuant to Sale and Leaseback Transactions entered into by the Company after January 26, 1999, or entered into by a Restricted Subsidiary after January 26, 1999 or, if later, the date on which it became a Restricted Subsidiary (not including in this computation any Attributable Debt that is concurrently being retired), would not exceed 10% of Consolidated Net Tangible Assets.

The Company will not, and will not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction unless (a) the sum of (i) the Attributable Debt to be outstanding pursuant to such Sale and Leaseback Transaction, (ii) all Attributable Debt then outstanding pursuant to all other Sale and Leaseback Transactions entered into by the Company after January 26, 1999, or entered into by a Restricted Subsidiary after January 26, 1999 or, if later, the date on which it became a Restricted Subsidiary, and (iii) the aggregate of all Secured Indebtedness then outstanding (not including in this computation Secured Indebtedness if this Security is secured equally and ratably with (or prior to) such Secured Indebtedness) would not exceed 10% of Consolidated Net Tangible Assets, or (b) an amount equal to the greater of (i) the net proceeds to the Company or the Restricted Subsidiary of the sale of the Principal Property sold and leased back pursuant to such Sale and Leaseback Transaction and (ii) the amount of Attributable Debt to be outstanding pursuant to such Sale and Leaseback Transaction is applied to the retirement of Funded Debt of the Company or any Restricted Subsidiaries (other than Funded Debt that is subordinate to this Security or is owing to the Company or any Restricted Subsidiaries or is scheduled to mature within one year after consummation of such Sale and Leaseback Transaction) within 180 days after the consummation of such Sale and Leaseback Transaction.

Default in the performance, or breach, of either of the covenants set forth in the preceding two paragraphs will be an “Event of Default” under Section 5.01 of the Indenture, and the covenants set forth in the preceding two paragraphs will be subject to defeasance in accordance with Section 13.03 of the Indenture.

“Attributable Debt” means, as of the date of its determination, the present value (discounted semiannually at an interest rate of 7.0% per annum) of the obligation of a lessee for rental payments pursuant to any Sale and Leaseback Transaction (reduced by the amount of the rental obligations of any sublessee of all or part of the same property) during the remaining term of such Sale and Leaseback Transaction (including any period for which the lease relating thereto has been extended), such rental payments not to include amounts payable by the lessee for maintenance and repairs, insurance, taxes, assessments and similar charges and for contingent rents (such as those based on sales). In the case of any Sale and Leaseback Transaction in which the lease is terminable by the lessee upon the payment of a penalty, such rental payments shall be considered for purposes of this definition to be the lesser of the discounted values of (a) the rental payments to be paid under such Sale and Leaseback Transaction until the first date (after the date of such determination) upon which it may be so terminated plus the then applicable penalty upon such termination, and (b) the rental payments required to be paid during the remaining term of such Sale and Leaseback Transaction (assuming such termination provision is not exercised).

“Capitalized Lease Obligation” means any obligation to pay rent or other amounts under a lease of (or other agreement conveying the right to use) real or personal property that is required to be classified and accounted for as a capital lease obligation under generally accepted accounting principles, and, for the purposes of this Security, the amount of such obligation at any date shall be the capitalized amount thereof at such date, determined in accordance with such principles.

“Consolidated Net Tangible Assets” means at any date, the total assets appearing on the Company’s most recently prepared consolidated balance sheet as of the end of the Company’s fiscal quarter, prepared in accordance with generally accepted accounting principles, less (a) all current liabilities as shown on such balance sheet and (b) Intangible Assets.

“Funded Debt” means any indebtedness maturing by its terms more than one year from its date of issue, including any indebtedness renewable or extendable at the option of the obligor to a date later than one year from the date of the original issuance thereof.

“Indebtedness” means (a) any liability of any Person (i) for borrowed money, or under any reimbursement obligation relating to a letter of credit, (ii) evidenced by a bond, note, debenture or similar instrument, including a purchase money obligation, given in connection with the acquisition of any businesses, properties or assets of any kind or with services incurred in connection with capital expenditures, other than a trade payable or a current liability arising in the ordinary course of business, or (iii) for the payment of money relating to a Capitalized Lease Obligation, or (iv) for Interest Rate Protection Obligations; (b) any liability of others described in the preceding clause (a) that the Person has guaranteed or that is otherwise its legal liability; and (c) any amendment, supplement, modification, deferral, renewal, extension or refunding of any liability of the types referred to in clauses (a) and (b) above.

“Intangible Assets” means at any date the value (net of any applicable reserves), as shown on or reflected in the Company’s most recently prepared consolidated balance sheet, prepared in accordance with generally accepted accounting principles, of: (a) all trade names, trademarks, licenses, patents, copyrights and goodwill; (b) organizational and development costs; (c) deferred charges (other than prepaid items such as insurance, taxes, interest, commissions, rents and similar items and tangible assets being amortized); and (d) unamortized debt discount and expense, less unamortized premium.

“Interest Rate Protection Obligations” of any Person means the obligations of such Person pursuant to any arrangement with any other Person whereby, directly or indirectly, such Person is entitled to receive from time to time periodic payments calculated by applying a fixed rate of interest on a stated notional amount in exchange for periodic payments made by such Person calculated by applying a floating rate of interest on the same notional amount.

“Liens” means any mortgage, lien, pledge, security interest, charge or encumbrance.

“Principal Property” means any land, land improvements, buildings and associated factory, distribution, laboratory and office equipment (excluding any motor vehicles, aircraft, mobile materials handling equipment, data processing equipment and rolling stock) constituting a distribution facility, operating facility, manufacturing facility, development facility, warehouse facility, service facility or office facility (including any portion thereof), which facility (a) is owned by or leased to the Company or any Restricted Subsidiary, (b) is located within the United States and (c) has an acquisition cost plus capitalized improvements in excess of 0.50% of Consolidated Net Tangible Assets as of the date of such determination, other than (i) any such facility, or portion thereof, which has been financed by obligations issued by or on behalf of a State, a Territory or a possession of the United States, or any political subdivision of any of the foregoing, or the District of Columbia, the interest on which is excludable from gross income of the holders thereof (other than a “substantial user” of such facility or a “related Person” as those terms are used in Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”)) pursuant to the provisions of Section 103 of the Code (or any similar provision hereafter enacted) as in effect at the time of issuance of such obligations, (ii) any such facility that the Board of Directors may by Board Resolution declare is not of material importance to the Company and the Restricted Subsidiaries taken as a whole and (iii) any such facility, or portion thereof, owned or leased jointly or in common with one or more Persons other than the Company and any Subsidiary and in which the interest of the Company and all Subsidiaries does not exceed 50%.

“Restricted Securities” means any shares of the capital stock or Indebtedness of any Restricted Subsidiary.

“Restricted Subsidiary” means (a) any Subsidiary (i) which has substantially all its property within the United States of America, (ii) which owns or is a lessee of any Principal Property and (iii) in which the investment of the Company and all other Subsidiaries exceeds 0.50% of Consolidated Net Tangible Assets as of the date of such determination; provided, however, that the term “Restricted Subsidiary” shall not include: (A) any Subsidiary (x) primarily engaged in the business of purchasing, holding, collecting, servicing or otherwise dealing in and with installment sales contracts, leases, trust receipts, mortgages, commercial paper or other financing instruments, and any collateral or agreements relating thereto, including

in the business, individually or through partnerships, of financing, whether through long- or short-term borrowings, pledges, discounts or otherwise, the sales, leasing or other operations of the Company and the Subsidiaries or any of them, or (y) engaged in the business of financing the assets and operations of third parties, and (z) in any case, not, except as incidental to such financing business, engaged in owning, leasing or operating any property which, but for this proviso, would qualify as Principal Property or (B) any Subsidiary acquired or organized after January 26, 1999, for the purpose of acquiring the stock or business or assets of any Person other than the Company or any Restricted Subsidiary, whether by merger, consolidation, acquisition of stock or assets or similar transaction analogous in purpose or effect, so long as such Subsidiary does not acquire by merger, consolidation, acquisition of stock or assets or similar transaction analogous in purpose or effect all or any substantial part of the business or assets of the Company or any Restricted Subsidiary; and (b) any other Subsidiary that is hereafter designated by the Board of Directors as a Restricted Subsidiary.

“Sale and Leaseback Transaction” means any arrangement with any Person providing for the leasing by the Company or any Restricted Subsidiary of any Principal Property (whether such Principal Property is now owned or hereafter acquired) that has been or is to be sold or transferred by the Company or such Restricted Subsidiary to such Person, other than (a) leases for a term, including renewals at the option of the lessee, of not more than three years; (b) leases between the Company and a Restricted Subsidiary or between Restricted Subsidiaries and (c) leases of Principal Property executed by the time of, or within 180 days after the latest of, the acquisition, the completion of construction or improvement (including any improvements on property that will result in such property becoming a Principal Property), or the commencement of commercial operation of such Principal Property.

“Secured Indebtedness” means (a) Indebtedness of the Company or a Restricted Subsidiary that is secured by any Lien upon any Principal Property or Restricted Securities, and (b) Indebtedness of the Company or a Restricted Subsidiary in respect of any conditional sale or other title retention agreement covering Principal Property or Restricted Securities; but “Secured Indebtedness” shall not include any of the following:

(a) Indebtedness of the Company and the Restricted Subsidiaries outstanding on January 26, 1999, secured by then existing Liens upon, or incurred in connection with conditional sales agreements or other title retention agreements with respect to Principal Property or Restricted Securities;

(b) Indebtedness that is secured by (i) purchase money Liens upon Principal Property acquired after January 26, 1999, (ii) Liens placed on Principal Property after January 26, 1999, during construction or improvement thereof (including any improvements on property which will result in such property becoming Principal Property) or placed thereon within 180 days after the later of acquisition, completion of construction or improvement or the commencement of commercial operation of such Principal Property or improvement, or placed on Restricted Securities acquired after January 26, 1999 or (iii) conditional sale agreements or other title retention agreements with respect to any Principal Property or Restricted Securities acquired after January 26, 1999, if (in each case referred to in this subparagraph (b)) (x) such Lien or agreement secures all or any part of the Indebtedness incurred for the purpose of financing all or any

part of the purchase price or cost of construction of such Principal Property or improvement or Restricted Securities and (y) such Lien or agreement does not extend to any Principal Property or Restricted Securities other than the Principal Property so acquired or the Principal Property, or portion thereof, on which the property so constructed or such improvement is located; provided, however, that the amount by which the aggregate principal amount of Indebtedness secured by any such Lien or agreement exceeds the cost to the Company or such Restricted Subsidiary of the related acquisition, construction or improvement will be considered to be "Secured Indebtedness;"

(c) Indebtedness that is secured by Liens on Principal Property or Restricted Securities, which Liens exist at the time of acquisition (by any manner whatsoever) of such Principal Property or Restricted Securities by the Company or a Restricted Subsidiary;

(d) Indebtedness of Restricted Subsidiaries owing to the Company or any other Restricted Subsidiary and Indebtedness of the Company owing to any Restricted Subsidiary;

(e) In the case of any corporation that becomes (by any manner whatsoever) a Restricted Subsidiary after January 26, 1999, Indebtedness that is secured by Liens upon, or conditional sale agreements or other title retention agreements with respect to, its property that constitutes Principal Property or Restricted Securities, which Liens exist at the time such corporation becomes a Restricted Subsidiary;

(f) Guarantees by the Company of Secured Indebtedness and Attributable Debt of any Restricted Subsidiaries and guarantees by a Restricted Subsidiary of Secured Indebtedness and Attributable Debt of the Company and any other Restricted Subsidiaries;

(g) Indebtedness arising from any Sale and Leaseback Transaction;

(h) Indebtedness secured by Liens on property of the Company or a Restricted Subsidiary in favor of the United States of America, any State, Territory or possession thereof, or the District of Columbia, or any department, agency or instrumentality or political subdivision of the United States of America or any State, Territory or possession thereof, or the District of Columbia, or in favor of any other country or any political subdivision thereof, if such Indebtedness was incurred for the purpose of financing all or any part of the purchase price or the cost of construction of the property subject to such Lien; provided, however, that the amount by which the aggregate principal amount of Indebtedness secured by any Lien exceeds the cost to the Company or the Restricted Subsidiary of the related acquisition or construction will be considered to be "Secured Indebtedness";

(i) Indebtedness secured by Liens on aircraft, airframes or aircraft engines, aeronautic equipment or computers and electronic data processing equipment; and

(j) The replacement, extension or renewal, or successive replacements, extensions or renewals, of any Indebtedness, in whole or in part, excluded from the definition of "Secured Indebtedness" by subparagraphs (a) through (i) above; provided, however, that no Lien securing, or conditional sale or title retention agreement with respect to, such

Indebtedness will extend to or cover any Principal Property or any Restricted Securities, other than such property that secured the Indebtedness so replaced, extended or renewed, plus improvements on or to any such Principal Property, provided further, however, that to the extent that such replacement, extension or renewal increases the principal amount of Indebtedness secured by such Lien or is in a principal amount in excess of the principal amount of Indebtedness excluded from the definition of "Secured Indebtedness" by subparagraphs (a) through (i) above, the amount of such increase or excess will be considered to be "Secured Indebtedness."

In no event shall the foregoing provisions be interpreted to mean that the same Indebtedness is included more than once in the calculation of "Secured Indebtedness" as that term is used in this Security, nor shall their operation cause this result.

If an Event of Default with respect to Securities of this series shall occur and be continuing, the principal of the Securities of this series may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series issued under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in aggregate principal amount of the Securities at the time Outstanding of each series to be affected. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Securities of each series at the time Outstanding, on behalf of the Holders of all Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Security shall be conclusive and binding upon such Holder and upon all future Holders of this Security and of any Security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Security.

As provided in and subject to the provisions of the Indenture, the Holder of this Security shall not have the right to institute any proceeding with respect to the Indenture or for the appointment of a receiver or trustee or for any other remedy thereunder, unless such Holder shall have previously given the Trustee written notice of a continuing Event of Default with respect to the Securities of this series, the Holders of not less than 25% in principal amount of the Securities of this series at the time Outstanding shall have made a written request to the Trustee to institute proceedings in respect of such Event of Default as Trustee and offered the Trustee indemnity satisfactory to the trustee, and the Trustee shall not have received from the Holders of a majority in principal amount of Securities of this series at the time Outstanding a direction inconsistent with such request, and shall have failed to institute any such proceeding for 60 days after receipt of such notice, request and offer of indemnity. The foregoing shall not apply to any suit instituted by the Holder of this Security for the enforcement of any payment or delivery of the Maturity Consideration hereof or any premium or interest hereon on or after the respective due dates expressed herein.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall affect or impair the obligation of the Company, which is absolute and unconditional, to pay the Maturity Consideration and interest on this Security at the times, place and rate, and in the manner, herein prescribed.

As provided in the Indenture and subject to certain limitations set forth therein and in this Security, the transfer of this Security is registrable in the Security Register upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the Maturity Consideration and interest on this Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities of this series are issuable only in registered form without coupons in denominations of \$1,000 and any integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations set forth therein, Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor in different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Indenture contains provisions whereby (i) the Company may be discharged from its obligations with respect to the Securities (subject to certain exceptions) or (ii) the Company may be released from its obligation under specified covenants and agreements in the Indenture, in each case if the Company irrevocably deposits with the Trustee money or U.S. Government Obligations sufficient to pay and discharge the entire indebtedness on all Securities of this series, and satisfies certain other conditions, all as more fully provided in the Indenture.

This Security shall be governed by and construed in accordance with the laws of the State of New York without giving effect to principles of conflicts of laws of such state.

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

This is one of the Securities of the series designated herein referred to in the Indenture.

Ladies and Gentlemen:

We have acted as counsel for United Parcel Service, Inc., a Delaware corporation (the "Company"), in connection with the offering by the Company of \$147,115,000 aggregate principal amount of the Company's Floating Rate Senior Notes due 2067 (the "Notes"). The Notes will be issued pursuant to a Registration Statement on Form S-3 (Registration Statement No. 333-214056) (the "Registration Statement"), filed with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Act"), the related prospectus dated October 11, 2016 (the "Base Prospectus"), a Prospectus Supplement relating to the Notes, dated March 28, 2017 (the "March 28 Prospectus Supplement") and a Prospectus Supplement relating to the Notes, dated March 30, 2017 (the "March 30 Prospectus Supplement" and collectively with the March 28 Prospectus Supplement and the Base Prospectus, the "Prospectus"), filed with the Commission pursuant to Rule 424(b) of the rules and regulations promulgated under the Act. This opinion is being provided at your request for incorporation by reference into the Registration Statement.

In connection with this opinion, we have reviewed such matters of law and examined original, certified, conformed or photographic copies of such other documents, records, agreements and certificates as we have deemed necessary as a basis for the opinions hereinafter expressed. In such review, we have assumed the genuineness of signatures on all documents submitted to us as originals and the conformity to original documents of all copies submitted to us as certified, conformed or photographic copies. We have relied, as to the matters set forth therein, on certificates of public officials. As to certain matters of fact material to this opinion, we have relied, without independent verification, upon certificates of certain officers of the Company.

We have assumed that the Indenture dated as of August 26, 2003 (as supplemented, the "Indenture"), between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (as successor to Citigroup, N.A.) (the "Trustee"), is enforceable against the Trustee in accordance with its terms.

The opinions expressed herein are limited in all respects to the federal laws of the United States of America and the corporate law of the State of Delaware (which includes the Delaware General Corporation Law, applicable provisions of the Delaware Constitution and reported judicial interpretations concerning those laws), and no opinion is expressed with respect to the laws of any other jurisdiction or any effect which such laws may have on the opinions expressed herein. This opinion is limited to the matters stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated herein.

Based upon the foregoing, and subject to the assumptions, qualifications and limitations set forth herein, we are of the opinion that the Notes, upon issuance and sale thereof as described in the Prospectus and, when executed and delivered by the Company and authenticated by the Trustee under the Indenture and delivered and paid for by the purchasers thereof, will be validly issued and will constitute valid and binding obligations of the Company enforceable against the Company in accordance with their terms, subject, as to the enforcement of remedies, to bankruptcy, insolvency, reorganization, moratorium and similar laws affecting the rights and remedies of creditors generally and to the effect of general principles of equity.

This opinion is given as of the date hereof, and we assume no obligation to advise you after the date hereof of facts or circumstances that come to our attention or changes in law that occur which could affect the opinions contained herein. This opinion is being rendered solely for the benefit of the Company in connection with the matters addressed herein.
